rom
J. W. CHERRY, Esq.,
Acting Collector of Tanjore.

o
J. D. SIM, Esq.,
Secy. to the Board of Revenue.

ir,

Goondappah, the Head Sheristadar of this District, having been ıcapacitated on account of his eyesight failing, for further active ervice, has given in his application for pension, and I have submitted ıe same for the orders of Government.

2. I take this opportunity to recommend, for the favourable conderation of the Board, the arrangement which, with due regard to the ublic interests, I propose for filling up this important Office.

3. Since I assumed charge of this Collectorate in June last, I have erived much valuable assistance in the discharge of its most onerous uties from Kristna Row, the Naib Sheristadar.

4. He had usually the management of the Revenue details of three aluqs and the superintendence of the Yeomiah and Devastanam epartments and of the estates under the Court of Wards. In conseuence of Goondappah's failing health, this charge was enlarged by egrees by the addition of the Revenue control of two more Taluqs nd of the Survamannien or Inam and Chuttram Departments. ristna Row has not only acquitted himself well of the additional and ery heavy duties, which thus devolved on him, but has at all times tood foremost to relieve the Head Sheristadar of any work that emanded prompt attention.

5. According to the accompanying service list, Kristna Row comleted, on the 1st January 1857, a service of 13 years and 6 months. Ie is in the 36th year of his age. From a Writer and a Gumastah, e rose through the grades of Translator, &c., to the situation of Naib heristadar, to which he was appointed by Mr. Bishop with the conurrence* of the Board. Mr. Bishop speaks of him in his letter to he Board, dated 25th January 1853, in the following terms:—

"I have the honor to request the concurrence of the Board in the omination of Kristna Row to the vacant Office, the duties of which he as carried on to my entire satisfaction. Kristna Row is a man of onsiderable talent and a good English scholar, well read in the Regu-ations and Proceedings of the Board. Although he has never served s a Tahsildar, I feel assured, that he possesses character and qualifiations fitting him for the important office now vacant, &c."

6. Kristna Row, though he has not been a Tahsildar, has given nquestionable proofs of his efficiency as a Revenue Functionary and ppears to have done full justice to Mr. Bishop's appointment of him. Ie has filled the Naib's post for above four years with credit to himelf and benefit to the interests of Government.

7. Since his appointment as Naib Sheristadar, he has, I understand, nost efficiently carried on the very heavy duties of the Head Sherisadar on all occasions of Goondappah's absence from duty both on ickness and on private affairs, and what is more creditable to him, he as cheerfully carried them on in addition to the duties of his own epartments.

8. It is with much pleasure and satisfaction that I bear my testinony to his talents and integrity of character and to his unremitting xertion on all public exigencies.

9. It is no ordinary task to fulfil the requirements of the office of he Tanjore Head Sheristadar. In this District, Mahratta had hitherto een the ruling language of the accounts and the Tamil of the Vernaular correspondence. A knowledge of these two languages and of he system of accounts hitherto followed, as well as that of English, nust be indispensable in Goondappah's successor for the effectual ealization of those improvements, which are contemplated by the new ystem of accounts, and no small local Revenue experience will be

quired of him to aid the Collector in introducing hereafter an uniform ystem of Taram Settlement, which, I hope, will in time take the place f the various unsettled tenures, which now govern the Revenue ettlements of the Province. Kristna Row combines all these qualifitions beyond all question and is the person whom, were it left to yself, I should select both for my own satisfaction, and with the view f doing justice to the claim of a deserving Public servant.

10. Under these circumstances, I venture to request that the oard will be pleased to accord their concurrence in my nomination of ristna Row, as the Head Sheristadar of Tanjore, to take effect from e date on which Goondappah ceased to do his duty, *i.e.*, 1st nuary 1857.

11. I must at the sametime inform the Board, that Mr. Forbes jects to my nomination of Kristna Row as Head Sheristadar, and leave it for them to ascertain the grounds of his objections by a rect reference to that gentleman. Pending the new arrangements of e Deputy Collectors, whereby the position of the Sheristadar will be anged, I beg respectfully to suggest, that Kristna Row may at least allowed to officiate as the Head Sheristadar, instead of being superded by any one an utter stranger to this District. In conclusion, I ve only to say, that I had neither seen nor heard of him before I me here, and that my present recommendation proceeds entirely from wish to do justice to his public claims.

Proceedings of the Madras Government, Revenue Department, 14th December 1869.

No. 178. Read the following letter from W. Robinson, Esq., C.S.I., Acting First Member in charge of the Inam Department, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 30th November 1869, No. 4:—

* * * *

3. T. Kristna Row was employed in settling the Inams of Madras District, which are both numerous and intricate, when the Government Order above alluded to arrested his proceedings. He is a methodical and diligent officer.

* * * *

I found that there remained for the disposal of these three Tahsildars* little short of 5,000 cases; they were convened at the Board's office, and the whole matter carefully discussed with the Collector, when it was decided, that with a view to speedy and accurate settlement, it would be necessary to send one experienced Deputy Collector to visit these Taluqs, and put the Tahsildars in the way of carrying out this new and arduous duty. T. Kristna Row was selected and at once despatched to visit the Taluqs and help the Tahsildars until they felt themselves quite competent to go on by themselves. A few days in each Taluq has sufficed to put them all three in train; and I am much satisfied with the way T. Kristna Row has done what was entrusted to him, and I am greatly surprised and gratified by the manner in which these Tahsildars and their subordinates have since answered the very heavy call made upon them.

6. Next to Madras, North Arcot is the District, in which most work remains to be closed. I have personally visited and concerted measures with the Collector, Sub-Collector and the Tahsildars, in whose Taluqs there is the heaviest arrear, and in accordance with their expressed wish I have deputed T. Kristna Row to that District on the same duty as he has so energetically performed in Madras. He is now there.

3. I am anxious to retain, for at least another month or perhaps two, the services of T. Kristna Row, as a kind of Travelling Inspecting Officer. There is a good deal of work still to be done by the Tahsildars in the District of Madras, and his visits and assistance will have a most useful effect in expediting and stimulating its disposal, and thereby bringing it under a final review and settlement in this office.

At the former plce, matters are, I fancy, by this time progressing smoothly, as te Tahsildar is earnest and conversant with the *modus operandi*; but at Wallajapett they will require longer teaching. I think you havetherefore done wisely in deferring your departure to Chendragiri forsome days and leave it to your own good judgment to decide when Wllajapett people can be left to their own work. * * * * * * These arrangments have my full approval. I am very glad you have Kristna Row at Mayaveram. I have a great regard for him, and a high opinion of his talents, knowledge of all matters concerning Revenue, and especially of his integrity and industry, and it is, I think, fortunate for the people of Mayaveram, that they have so efficient a Deputy Collector, and I only hope that he may be permanently fixed at Mayaveram. Please offer him my kind remembrances. He did good service under me, and I shall always bear this in mind.

I was pleased to receive your letter and to hear of my dear old Mayaveram Friends. I am sorry to hear the People of that District have lost your services, for you know their habits, customs, and tenures, and I am satisfied of your integrity as a Public officer. I hope you may return to Mayaveram. You are at full liberty to make use of any thing I may have said in your favor in my letters to Goondappah Row.

I have not, I am sure, said more than I feel I am justified in saying of your abilities and good conduct, and I only regret you have not had more regard paid to your merits, and been holding a higher position in the service than you do.

Register submitted by the Collector of Tanjore, differs from that calculated by the Accountant General; this appears to be due to the inclusion by Mr Webster of the Acting allowances drawn by the applicant during the last 5 years. The calculation arrived at by the Accountant General is found correct and the pension granted accordingly.

TANJORE, VULLUM,
14th January 1857.

J. W. CHERRY, Esq.,
Acting Collector of Tanjore.

J. D. SIM, Esq.,
Secy. to the Board of Revenue.

ir,

Goondappah, the Head Sheristadar of this District, having been icapacitated on account of his eyesight failing, for further active ervice, has given in his application for pension, and I have submitted ie same for the orders of Government.

2. I take this opportunity to recommend, for the favourable conderation of the Board, the arrangement which, with due regard to the ublic interests, I propose for filling up this important Office.

3. Since I assumed charge of this Collectorate in June last, I have erived much valuable assistance in the discharge of its most onerous uties from Kristna Row, the Naib Sheristadar.

4. He had usually the management of the Revenue details of three aluqs and the superintendence of the Yeomiah and Devastanam epartments and of the estates under the Court of Wards. In conseuence of Goondappah's failing health, this charge was enlarged by egrees by the addition of the Revenue control of two more Taluqs nd of the Survamannien or Inam and Chuttram Departments. ristna Row has not only acquitted himself well of the additional and ery heavy duties, which thus devolved on him, but has at all times tood foremost to relieve the Head Sheristadar of any work that emanded prompt attention.

5. According to the accompanying service list, Kristna Row comleted, on the 1st January 1857, a service of 13 years and 6 months. Ie is in the 36th year of his age. From a Writer and a Gumastah, e rose through the grades of Translator, &c., to the situation of Naib heristadar, to which he was appointed by Mr. Bishop with the conurrence* of the Board. Mr. Bishop speaks of him in his letter to he Board, dated 25th January 1853, in the following terms:—

"I have the honor to request the concurrence of the Board in the omination of Kristna Row to the vacant Office, the duties of which he as carried on to my entire satisfaction. Kristna Row is a man of onsiderable talent and a good English scholar, well read in the Reguations and Proceedings of the Board. Although he has never served s a Tahsildar, I feel assured, that he possesses character and qualifiations fitting him for the important office now vacant, &c."

6. Kristna Row, though he has not been a Tahsildar, has given inquestionable proofs of his efficiency as a Revenue Functionary and ppears to have done full justice to Mr. Bishop's appointment of him. Ie has filled the Naib's post for above four years with credit to himelf and benefit to the interests of Government.

7. Since his appointment as Naib Sheristadar, he has, I understand, nost efficiently carried on the very heavy duties of the Head Sherisadar on all occasions of Goondappah's absence from duty both on ickness and on private affairs, and what is more creditable to him, he as cheerfully carried them on in addition to the duties of his own epartments.

8. It is with much pleasure and satisfaction that I bear my testinony to his talents and integrity of character and to his unremitting xertion on all public exigencies.

9. It is no ordinary task to fulfil the requirements of the office of he Tanjore Head Sheristadar. In this District, Mahratta had hitherto een the ruling language of the accounts and the Tamil of the Vernaular correspondence. A knowledge of these two languages and of he system of accounts hitherto followed, as well as that of English, nust be indispensable in Goondappah's successor for the effectual ealization of those improvements, which are contemplated by the new ystem of accounts, and no small local Revenue experience will be

equired of him to aid the Collector in introducing hereafter an uniform ystem of Taram Settlement, which, I hope, will in time take the place f the various unsettled tenures, which now govern the Revenue ettlements of the Province. Kristna Row combines all these qualifiations beyond all question and is the person whom, were it left to yself, I should select both for my own satisfaction, and with the view f doing justice to the claim of a deserving Public servant.

10. Under these circumstances, I venture to request that the oard will be pleased to accord their concurrence in my nomination of ristna Row, as the Head Sheristadar of Tanjore, to take effect from e date on which Goondappah ceased to do his duty, *i.e.*, 1st anuary 1857.

11. I must at the sametime inform the Board, that Mr. Forbes bjects to my nomination of Kristna Row as Head Sheristadar, and leave it for them to ascertain the grounds of his objections by a rect reference to that gentleman. Pending the new arrangements of e Deputy Collectors, whereby the position of the Sheristadar will be hanged, I beg respectfully to suggest, that Kristna Row may at least e allowed to officiate as the Head Sheristadar, instead of being superded by any one an utter stranger to this District. In conclusion, I ave only to say, that I had neither seen nor heard of him before I me here, and that my present recommendation proceeds entirely from wish to do justice to his public claims.

I have the honor to be,
Sir,
Your most obedient servant,

Proceedings of the Madras Government, Revenue Department, 14th December 1869.

No. 178. Read the following letter from W. Robinson, Esq., C.S.I., Acting First Member in charge of the Inam Department, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 30th November 1869, No. 4:—

* * * *

3. T. Kristna Row was employed in settling the Inams of Madras District, which are both numerous and intricate, when the Government Order above alluded to arrested his proceedings. He is a methodical and diligent officer.

* * * *

I found that there remained for the disposal of these three Tahsildars* little short of 5,000 cases; they were convened at the Board's office, and the whole matter carefully discussed with the Collector, when it was decided, that with a view to speedy and accurate settlement, it would be necessary to send one experienced Deputy Collector to visit these Taluqs, and put the Tahsildars in the way of carrying out this new and arduous duty. T. Kristna Row was selected and at once despatched to visit the Taluqs and help the Tahsildars until they felt themselves quite competent to go on by themselves. A few days in each Taluq has sufficed to put them all three in train; and I am much satisfied with the way T. Kristna Row has done what was entrusted to him, and I am greatly surprised and gratified by the manner in which these Tahsildars and their subordinates have since answered the very heavy call made upon them.

6. Next to Madras, North Arcot is the District, in which most work remains to be closed. I have personally visited and concerted measures with the Collector, Sub-Collector and the Tahsildars, in whose Taluqs there is the heaviest arrear, and in accordance with their expressed wish I have deputed T. Kristna Row to that District on the same duty as he has so energetically performed in Madras. He is now there.

3. I am anxious to retain, for at least another month or perhaps two, the services of T. Kristna Row, as a kind of Travelling Inspecting Officer. There is a good deal of work still to be done by the Tahsildars in the District of Madras, and his visits and assistance will have a most useful effect in expediting and stimulating its disposal, and thereby bringing it under a final review and settlement in this office.

The arrangements made by Mr. W. Robinson for the speedy disposal of the Inam cases in the Madras and North Arcot Districts are very satisfactory, and are approved.

Sanction is granted also for the retention of the services of T. Kristna Row, another Deputy Collector, till the end of December 1869. Should Mr. Robinson require the services of the latter beyond that period he is requested to address Government on the subject at once.

3. The Government are glad to receive the testimony borne by Mr. Robinson to the usefulness and energy of T. Kristna Row and C. Sivsenkara Moodelly.

Extract from a letter from J. D. Robinson, Esq., Collector of North Arcot, to T. Kristna Row, dated 2nd December 1869.

Dear Sir,

I have your note of 30th ultimo, and am glad to observe you are having the settlement pushed forward at Arcot and Wallajapett. At the former place, matters are, I fancy, by this time progressing smoothly, as the Tahsildar is earnest and conversant with the *modus operandi*; but at Wallajapett they will require longer teaching. I think you have therefore done wisely in deferring your departure to Chendragiri for some days and leave it to your own good judgment to decide when Wallajapett people can be left to their own work.

* * * * * *

These arrangements have my full approval. The grand object we have in view is to shew to Taluq and Village establishments how to do their own work and to get our whole local machinery into smooth and active operation. Pray make suggestions just as they occur and write your wishes freely.

T. Kristna Row,

I am much satisfied as is apparently the Collector.

I would like you to pass through the Taluqs already visited before leaving the District and see that no difficulties have arisen for solution in the interim. Also see the Sub-Collector. A short visit to his heaviest Taluqs will strengthen his hands and aid his Tahsildars.

* * * * *

T. Kristna Row, Deputy Collector, till now employed in the Inam Department, returns to the general service, and I must record my appreciation of his services when under my immediate observation.

When I took charge of the Department, I deputed him as an Inspecting officer into the neighbouring Districts. With his aid and under the influence of his zealous disposition, the Tahsildars got through a surprising amount of work in a very short time and completed the settlement of their Taluqs in a few weeks. I attribute this satisfactory result in a great measure, to T. Kristna Row's energy, intelligence and experienced guidance.

On his return to the office, T. Kristna Row worked as one of my personal Assistants. To his labors and business-like habits is due the relief which enabled the closing, in a great measure, of the Commission within the period named by Government.

I found him a clear-headed, methodical and earnest man of business.
