I was appointed as Channel Supdt on Rs 12 in Doulaishwaram on the 3rd January 1854. I held that post for 14 years. The post of Channel Supt having been abolished I was then appointed as Suboverseer 3rd grade on Rs 20 per month which I held till 31.1.78 when my services were dispensed with having retired on pension. To

The officer Incharge
No 3 Range Godavari District

Petition from V. Venkatareddi late 3rd grade Sub-Overseer.

As directed in your order No 173 of 20th ultimo I beg to forward herewith an affidavit together with statements of 2 Contemporary servants. I further beg to state that on 3-1.54 I was appointed as Channel Suptt and during the period of 24 years service from that date to 31.1.78 I did not take any leave even for one day. When I was ordered to retire I begged that I might be allowed to remain in service for one year more because I was able to do further service and as my age was not 55 years I should not under orders of Govt, be forced to retire. My request was taken no notice and I was unjustly thrown out of employ. If I were to get only 1/3 pension owing to the short service of one year it would not be sufficient for my livelihood and thus put

me

me to great troubles during whole of my life time. I therefore pray that your honor will be pleased to take my poor case into your favorable consideration and to recommend me for ½ pension by reckoning my service as 25 years, the short service of one year being treated as privilege leave or in any way as you deem proper.

Reply given on oath by Golendala Brahmiah of Dowlaishweram.

Vistnumahanty Venkatareddi was entertained as Channel Superintendent on Rs 12 permensem in 1854 in No 1 Range, Dowlaishweram and I know well that he was continuously employed since then up to two years ~~before~~ ago. Up to date of retirement, he was a Local Fund Sub overseer on Rs 20 permensem. I cannot remember in what ranks and from what to what date he was employed. I having been employed in the Engineer Department from 1853 up to 5 years ~~last~~ ago knew the state of Venkatareddy's service. I read this Reply and found correct.

I and Vistummahanti Venkatareddi were entertained as Channel Superintendents on Rs 12 per mensem in No 1 Range, Dowlaishwaram in January 1854. Since then Venkatareddi was continuously employed in it and in 1868 made a 3rd class Local Fund Sub Overseer. In the same year I was appointed as Overseer in the Amalapur Taluk and Venkatareddi in Narsapur Taluk. I and Venkatareddi having been employed in the same Department up to 1868, I can say that Venkatareddi was continuously employed. Venkatareddi had been as Sub Overseer in the Narsapur and other Taluks and applied for pension in February 1878. I know this very well. I heard this Kyphiet and found correct

Copy of letter from the Executive Engineer, Western ~~[illegible]~~ Delta Division Godavari to the Supt. Engineer First Circle No. 318 dated 26th Sept 1879.

Referring to Examiner's letter No. 142 G.D. communicated with District Engineer's No. 2216 of 16th October 1878, and to Superintending Engineer's docket No. 613 G.D. of 13th June 1879 I have the honor to give the following information in connection with application for pension on behalf of late Sub-Overseer D. Venkata[illegible] Esq.

2. The Superintending Engineer 1st Circle having in his No. 613 G.D. above alluded to stated that the applicant's services from 3rd January 1854 to 30th April 1856 could not be verified from the records of late District Engineer's Office and that the information required in para 3 of Examiner's letter under reference could not be obtained the applicant was called upon to furnish an affidavit and statements of 2 Contemporary servants in support of his continuous employment during that period. He accordingly furnished these documents and they are herewith forwarded.

Contemporary servants
10. Venkata[illegible] draftsman
11. [illegible] late Delta Supdt.

3. The applicant states that he was one of the 22 Channel Superintendents whose pay was drawn in a lump sum from 1856/57 to 1864/65 and that he was employed continuously during that period as per statement in his affidavit.

4. The applicant is unable to explain the cause of the stoppages of Rs. 4-6-3 and Rs. 8-4-- alluded in para 4.

5.

5. Venkatareddy states that he was not reduced from the salary of Rupees 12 at the time of re-organization of the Conservancy Establishment in August 1868 and that on the abolition of the grade of Channel Sepoys he was appointed Local Fund Maistry on Rs. 20. His pay as such was drawn in this Division Salary Bill and passed as follows—

		Rs. As. P.
August 1868.	Pay for 26 days	16 - 12 - 5
September	For full month	21 - . -
October	Do	20 . .

January 1869.	For 14 days from 18th to 31st	9 . . 6

There is nothing on the record to show why stoppages of pay were made in August and December 1868 and January 1869 and the applicant is unable to explain the cause of same.

6. Venkatareddy cannot say why only half pay was drawn for him for June 1869. It appears that no stoppage of pay was made in April 1869 as his pay was passed in full for that month as per pay bill entry book in the Office. No pay was drawn in July 1871 vide Ex. Engineer's letter No. 110 of 14th July and Supdt. Engineer's reply thereto No. 1366 of 21st idem (Copies herewith).

I have the honor to inform you that Local Fund Maistry V. Peda Venkatareddi applied for one month's leave of absence from 10th June on account of the death of his wife. There were several little masonry works on Akeed Road under his supervision which it was necessary to finish as soon as possible I therefore granted him leave for only one week but going away on the 10th ultimo he only returned on the 9th instant. I have suspended him till the 10th proximo and proposed that for the two months (10th June to 10th August) he should draw no pay which I trust will meet with your approval.

Endorsement thereon, of the Actg. Supdg. Engineer, No. 1366 dated 21st July 1871.

There were several little masonry works on Ahead Road under his supervision which it was necessary to finish as soon as possible I therefore granted him leave for only one week but going away on the 10th ultimo he only returned on the 9th instant. I have suspended him till the 10th proximo and proposed that for the two months (10th June to 10th August) he should draw no pay which I trust will meet with your approval.

Endorsement thereon, of the Actg. Supdt. Engineer, No. 1311 dated 21st July 1871.

Considers the stoppage of one month's pay, sufficient punishment to Local Fund Maistry V. Peda Venkatareddi for having exceeded the leave granted him.

The applicant in his petition dated 10th November 1880 represents that the date of his birth as entered in the service book and pension application is erroneous and submits in support his horoscope written on palmyra leaf. Copy of letter received from the Supdt. of Works Godavari in reply to a reference made by this Office on the subject is forwarded for the information of Government. As however the settlement of this question will in no way affect the amount of pension the applicant is shown to be entitled to as he would either way have completed more than 15 and less than 25 years' qualifying service, no further action appears necessary.

Certified that I, Surgeon Samuel Matthias Tyrrell, F.R.C.S.E., Zillah Surgeon Rajahmundry, have carefully examined Vistnumahanthu Venkatareddi, son of Vistnumahanthu Seethapathy, late Sub-overseer in the Public Works Department. His age is by his own statement 48 years, and by appearance about 48 years. I consider Vistnumahanthu Venkatareddi to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of debility, the result of having become prematurely aged. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Solemn affirmation given by Vistnu=mahanti Venkatareddi of Neggipudi

I was appointed as Channel Supdt on Rs 12 in Dowlaishwaram on the 3rd January 1854. I held that post for 14 years. The post of Channel Supdt having been abolished I was then appointed as Suboverseer 3rd grade on Rs 20 per month which I held till 31. 1. 78 when my services were dispensed with having retired on pension. I got 24 years service of which the details will be found in my service Register kept in the Range office.

I heard the above statement read out to me and found to be correct.

Petition from V. Venkatareddi late 3rd grade Sub-Overseer.

As directed in your order No 173 of 20th ultimo I beg to forward herewith an affidavit together with statements of 2 Contemporary servants. I further beg to state that on 3-1.54 I was appointed as Channel Suptt and during the period of 24 years service from that date to 31.1.78 I did not take any leave ~~even~~ for one day. When I was ordered to retire I begged that I might be allowed to remain in service for one year more because I was able to do further service and as my age was not 55 years I should not under orders of Govtt, be forced to retire. My request was taken no notice and I was unjustly thrown out of employ. If I were to get only 1/3 pension owing to the short service of one year it would not be sufficient for my livelihood and thus put

me

one to great trouble during whole of my life time. I therefore pray that your honor will be pleased to take my poor case into your favorable consideration and to recommend me for ½ pension by reckoning my service as 25 years, the short service of one year being treated as privilege leave or in any way as you deem proper.

Up to date of retirement, he was a Local Fund Sub-overseer on Rs 20 permensem. I cannot remember in what ranks and from what to what date he was employed. I and Vistummahanti Venkatareddi were entertained as Channel Superintendents on Rs 12- per mensem in No 1 Range, Dowlaishweram in January 1854. Since then Venkatareddi was continuously employed in it and in 1868 made a 3rd class Local Fund Sub. Overseer. In the same year I was appointed as Overseer in the Amalapur Taluk and Venkatareddi in Narsapur Taluk. I and Venkatareddi having been employed in the same Department up to 1868, I can say that Venkatareddi was continuously employed. Venkatareddi had been as Sub Overseer in the Narsapur and other Taluks and applied for pension in February 1878. I know this very well. I heard this Kyphiet and found correct

Copy of letter from the Executive Engineer Western ~~East~~ Delta Division Godavari to the Supt. Engineer First Circle No. 318 dated 26th Sept./79

Referring to Examiner's letter No. 142 G.D. communicated with District Engineer's No. 2296 of 16th October 1878 and to Superintending Engineer's docket No. 613 G.D. of 13th June 1879 I have the honor to give the following information in connection with application for pension on behalf of late Sub-Overseer O. Venkatareddy.

2. The Superintending Engineer 1st Circle having in his No. 613 G.D. above alluded to stated that the applicant's services from 3rd January 1854 to 30th April 1856 could not be verified from the records of late District Engineer's Office and that the information required in para 3 of Examiner's letter under reference could not be obtained the applicant was called upon to furnish an affidavit and statements of 2 Contemporary servants in support of his continuous employment during that period. He accordingly furnished those documents and they are herewith forwarded.

Contemporary servants
1 C. Veeravenkiah Draftsman
1 P. Jammiah Naidu late Delta Supdt.

3. The applicant states that he was one of the 50 Channel Superintendents whose pay was drawn in a lump sum from 1856/57 to 1864/65 and that he was employed continuously during that period as per statement in his affidavit.

4. The applicant is unable to explain the cause of the stoppages of Rs. 4-6-3 and Rs. 8-4-- alluded in para 4.

5. Venkatareddy states that he was not reduced from the salary of Rupees 12 at the time of re-organization of the Conservancy Establishment in August 1868 and that on the abolition of the grade of Channel Supdts. he was appointed as Local Fixed Maistry on Rs. 20. His pay as such was drawn in this Division Salary bills and passed as follows:—

		Rs.	A.	P.
August 1868.	Pay for 26 days	16	12	5
September	For full month	20		
October	Do	20		
November	Do	20		
December	For 4 days from 6th to 9th	2	9	3
January /69.	For 14 days from 18th to 31st	9		6

There is nothing on the record to show why stoppages of pay were made in August and Decr./68 and January 1869 and the Applicant is unable to explain the cause of same.

6. Venkatareddy cannot say why only 26 days pay was drawn for him in June 1869. It appears that no stoppage of pay was made in April 1869 as his pay was passed in full for that month as per pay bill entry book in this Office. No pay was drawn in July 1871 vide Ex. Engineer's letter No. 110 of 14th July /71 and Supt. Engineer's reply thereto No. 1314 of 21st Idem (Copies herewith).

7. The applicant states that he is known by both names — i.e. Chinna Venkatareddy and Venkatareddy — All the papers received with the letter under reference are herewith returned.

Copy of letter from the Executive Engineer, Western Dn. Godavari to the Superintending Engineer 1st Circle No. 110 dated 14th July 1871.

I have the honor to inform you that Local Fixed Maistry V. Peda Venkatareddi applied for one months' leave of absence from 10th June on account of the death of his wife. There were several little masonry works on Akeed Road under his supervision which it was necessary to finish off as soon as possible I therefore granted him leave for only one week but going away on the 10th Ultimo he only returned on the 7th instant. I have suspended him till the 10th proximo and proposed that for the two months (10th June to 10th August) he should draw no pay which I trust will meet with your approval.

Endorsement thereon, of the Ag. Supt. Engineer, 1st Circle No. 1314 dated 21st July 1871.

Considers the stoppage of one months' pay, sufficient punishment to Local Fixed Maistry V. Peda Venkatareddi for having exceeded the leave granted him.
