The Accountant General
to the Government: Fort St. George
Madras
Most Honored Sir

I respectfully beg leave to state that Govt have recently ruled that all Govt Officers who have attained the age of 60 years should not be retained in service and as I am one of that class, the Collector of the District ordered me to retire on superannuation pension.
2. Fearing that I am only entitled to $\frac{1}{3}$ pension notwithstanding my long service I presented a petition to the Collector requesting that I might be allowed to remain in service for a further period of 22 months to complete the full term of qualifying service thereby enabling me to get $\frac{1}{2}$ pension on my temporary service in the Commissioners Office for the Northern Circars might as a matter of justice be allowed to count towards pension. The Collector was pleased to state my petition for the orders of Government.
3. The Government passed orders thereon that my retention in service can not be sanctioned as I have completed 60 years of age but were pleased to say that my second prayer to allow my temporary service to consider a qualify one may be decided when the pension application reached there.
4. My Application for $\frac{1}{3}$ pension viz 28-5-4 was submitted to your Office on the 6th instant and I earnestly submit that your Hon. Board should be pleased to submit the

petition to Government along with my pension application
submitted for their sanction so that it may remind
Government of my case.

ORDER THEREON, 18 Jan 7/1881 No 30

Under Sections 65, 70 & 86 of the Civil Pension Code (4th Edition),

His Grace the Governor in Council is pleased to grant to *Grimdy Venkatapathy Chetty*, late Ag Superintd of Sea Customs *Binnapatam*, a Superannuation Pension

of Rupees (28-5-4) twenty-eight annas five and pice four per mensem

payable at Vizagapatam from 22nd July 1880 in consideration of his qualifying Superior Service of twenty three years, four months, and six days.

As the Applicant's service in the office of the Comptroller of the Govt. is stated to have been temporary

I think we should strictly maintain the principle that twice in a year the highest post does not count for pension. Otherwise the whole system of temporary appointments is at stake.

The pseudonym is distinct. A man takes a pen name for a purpose, & assuming it after he is in a totally different position from one engaged to the Accountant-General, with Register.
