SIR,

With reference to your docket No $\frac{1566}{461}$ dated 9th ultimo, forwarding a letter from the Accountant General regarding the pension claims of L. Subbarayadu, Dy Surveyor, I have the honor to inform you that the pay of all Survey Subordinates from 1st to 10th January 1877 remitted to me for disbursement, through Remittance Transfer Receipt No 1 of 13th April 1877, was credited to Famine Recoveries in the Treasury Account for October 1877 and included in Rs 7188-4-5, as the pay of Survey Subordinates for the same period had already been drawn from Famine funds and disbursed to them. The above shows that L. Subbarayadu has received his pay from 1st to 10th January from Famine Relief and that the entry made in the verification statement sent to you with letter No 57 dated 26th January 1880 is is correct and that there is no overpayment.

2. As regards query 2 in the Accountant General's letter, I have the honor to state, that L. Subbarayadu received his pay and allowance at 30 Rs up to 30th June 1877 along with other subordinates, but the Accountant General subsequently retrenched the allowance from 13th June 1877 and in many instances the recoveries were effected after their return to your Department. From the records available here it does not appear that the Dy Surveyor's allowance from 13th to 30th June was recovered from his pay while he was on Famine duty in this District. If no recovery was made from his pay after his return to your Department, it should now be recovered from his pension. The entry made to the effect that L. Subbarayadu drew allowance up to 30th June 1877 in the Statement sent with this Office letter No 57 dated 26th January/80, is correct.

3. The enclosures which accompanied your docket are herewith returned.

I have the honor to be,
Sir
Your most obedient Servant
