Certified that I have carefully examined Motoocorry Parthasarathy Naidu, son of Motoocorry Mungaputhy Naidu, a Sub-Overseer in the Public Works Department. His age is by his own statement 45 years and by appearance about the same. I consider Motoocorry Parthasarathy Naidu to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of defective vision and diseased foot. This incapacity does not appear to me to have been caused by irregular or intemperate habits.

I have the honor to repeat that the delay in disposing of this reference is entirely due to the man himself, and his neglecting to procure the required Medical Certificate.

Most Honoured Sir

I respectfully beg to request that your honor be pleased either to recommend to Government that the 2 years deducted from my Pensionable Service be restored to me or that your honor be good enough to employ me as former Post a few months longer till my service is completed on the strength of the Medical Certificate I have just produced thro' the Superintendant of Works Kistna. It is superfluous on my part to represent to your honor the great distress I have been subjected to being un-employ for more than two years with a large family depending on me.

Copy of letter from the Supdt Engineer 1st Circle to the Examiner P.W. Accounts Madras No. 749 K.S. dated 4th August 1879.

With reference to your remarks on the preliminary application for Pension on behalf of M. Parthasaradi Naidu late a Sub-Overseer 1st Grade in the Guntoor Dn of the Kistna District received with your letter No. 127 K.S. dated 15th August 1878 I have the honor to forward for early disposal the regular application for pension accompanied by the Service Book and requisite medical Certificate granted by the Zillah Surgeon Guntoor. The following are the explanations with regard to the several discrepancies pointed out by you.

(1) The applicant was employed as Canacapillay on the Barrack Works at Hyderabad from 3d October 1857 to 3d December 1857 and the appointment was temporary. His pay during the time was charged to works and the individual was not paid on any Audited Bills. His services from 1st September 1858 to 30th April 1860 cannot be verified either from this or the Divisional Office records as they were probably destroyed by the Cyclone of November 1864 when the Range Office at Masulipatam was entirely submerged in that storm. It is believed he was employed under Overseer Butler.

(2) The Cause of termination of the applicant's services on the 3d December 1857 was owing this having resigned his appointment from sickness

(3) Vide Explanation in para 1.

(4) This man was employed in the Kistna District as acting Overseer on a salary of Rupees of 30 from 5th July 1867 to 5th August 1867. His pay was

drawn

drawn in the late Repalli Division for that period but it having been disallowed by your Office, the then Superintending Engineer, 2nd Dn. made necessary arrangements to adjust his pay and allowances in the Central Range, Nellore District, as would be clearly seen from the accompanying copy of memo to Lieut Vibart R.E.

(5) The applicant says that from 6th August 1867 to 26th Septr 1867 he was without employ in the Repalli Range. No pay was however drawn for him during that period. From 26th June 1872 to 30th September 1872 he was suboverseer in the Guntoor Dn. but drew no pay having fallen sick and failed to obtain Medical Certificate. In the application these are shewn under the head "period not reckoned as service"

(6) The post itself was one of a permanent character but the applicant held it acting, securing a lien on his former post pending Examination. On the abolition of Sub-Overseers' posts he had to return to his former appointment.

(7) The required Copies of pay abstracts &c are enclosed from which it will be seen that the applicant drew pay for the period only in the Guntoor Division.
