REMARKS BY HEAD OF OFFICE.

f Applicant. *There is nothing on record against the applicant.*

2. Explanation of any suspension or degradation. *None*

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the *None* Head of the Office can give it.

5. Any other remarks. *The applicant is inefficient owing to age.*

6. The service claimed or established should be admitted.

The applicant made an application to the Sadr. of Redayapolim on the 21st April 1867 praying appointment was accordingly given to him. After a few days, the applicant applied for pension to my predecessor who rejected the claim on the ground that he was not entitled to it. The applicant as he had voluntarily resigned the post in favor of his nephew. The applicant petitioned denying that he had voluntarily resigned. The original petition which was called for seems to me clearly to tender petitioner's resignation in favor of his nephew and he can therefore have no valid claim to pension. I submitted the case for orders in conformity with G. O. No 479, dated 3rd Sept. 1877, which directs that the Heads of Departments are not at liberty to refuse the submissions of applications for pension or gratuity.

No. 1142. Certified that the following errors in the former grades has been duly proved for 10 years 10 Nov. 1880.

1143 days but that were owing allowances would sum to be admissible under the circumstances detailed below.

It will be seen from the Collector's remarks on the 3rd page of the application that the applicant assigned his appointment in favor of his nephew in April 1876 - His resignation entered for service of his past service according to Section 56 of the Code. The claim for gratuity moreover becomes implied owing to the applicant not having produced a Medical Certificate of unfitness for further service at the time of retirement although such a Certificate was absolutely necessary under Article 82 of the Code as his age then was below 60 years.

3 Order thereon 18 Jan 2/1880 No 31.
 H. Vasudeva Ling, a taluk peon in the District of Trichinopoly applied in 1876 to the Tahsildar to be allowed to leave the service as he considered himself infirm and unable to serve any longer, and asked that his post might be conferred on his nephew.

2. He was at the time 57 years of age, and had served for

for upwards of twenty years;
but it does not appear
that he was directed
to obtain a medical
certificate of incompetency,
or that the effect of his
not doing so was at
any time explained
to him. His resignation
of office was accepted
and his nephew ap=
pointed in his place
and as there is nothing
to show that he was
unfit for further
service, no retiring
allowance is ad=
-missible in his case.

3. Before permitting
the retirement of an
inferior servant whose
age is less than 60 years,
care must be taken
to have his unfitness
for the service duly
established by med=
-ical certificate, or
to obtain from him
a statement that
he

he voluntarily resigns
the public service
and is aware of
the consequences of
so doing.
