CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 16 years 9 months and 20 days; and that a {superior} {pension} not exceeding Rs. 1,115 per mensem, is admissible under Section 65, 68 (b) of the Civil Pension Code. The calculations have been duly verified.

It is derived from the annual reports to No 2 in the 3rd page of the application and from a few of the Exhibits recorded in the Review Book that the character and past conduct of the Applicant have not been fully satisfied. It is to be hoped with Government to make such reduction in the number of the Pension. That may be sanctioned to him as it may seem proper with reference to Rules Sect: 22 of the Code.

It will be seen from the entry opposite to 211 on the 1st page of the application that the District Judge proposed the Grant to the applicant of Rs. 1-12-1 instead of Rs. 4-11-5 only for the same. The difference, it is presumed, is due to the inclusion, in the calculation of average annual payments, of delinquency allowed and drawn by the applicant during the last 5 years of his service and it has been accepted from the calculation made by that officer agreeably to the provisions of Section 80 (c) of the Civil Pension Code.
