16. The Peon was acting for 2 other peons who were absent on leave without pay during the periods under reference. The original peons having failed to return to duty on the expiration of their leave they were discharged and the acting incumbent was confirmed in the appointments and therefore the case falls within the meaning of the Rule 2 of the section 27 of the Civil Pension Code; hence the Peon under reference ~~above~~ counts the service towards pension for the above periods.

23. The name of the applicant was entered in the annual Return for 1869 in the one attached therewith for additional establishment below the name of Nagichetti & above Veeraswami

24. The establishment in which the applicant was employed during the period under reference and in 1869 was of a permanent nature. For the sake of Convenience & reference the number of the hands under each Rank above those allotted in the sanctioned scale was entered under the head of additional establishment, which was in reality a portion of the Permanent Establishment.
