Fort Saint George,
Accountant General's Office,
14th March 1881.

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

To THE *Secretary to Government*
Pension Department,

SIR,

Fort Saint George.

With reference to para 2 of the Proceedings of Government No. 50 dated the 24th January 1881, Pension Department, directing me to report why in the case of Mr. Surtichu Nayyar the appointment of Anushon Rao held by him during the earlier part of his service has been regarded as a non-pensionable office, I have the honor to forward herewith copies of this office letter to the Collector of Malabar and of his reply thereto, from which you will observe, that the appointment in question formed a part of the Village Service Establishment and was paid from Village Service Fund. The appointment would seem to be one which does not fulfil the several conditions of qualifying service prescribed in Chapters IV, V and VI of the Civil

Pension

Pension Code, and the service rendered
in it has therefore been regarded as
now-pensionable agreeably to the
provisions contained in Sections
43(a) and 44 of that Code.

I have the honor to be,

Sir,
Yours obedient servant

Wm. T. T. T.

To The Collector of
Malabar
Sir,

With reference to para 2 of G.O. No. 50 dated
the 21st January 1881 Pension Department, I have the
honor to request that you will be good enough to in-
form me of the circumstances under which you
considered yourself justified in projecting as non-
qualifying the period of Mr. Sankish's service
rendered in the appointment of Assistant Secy of the Ca-
sualty Salub from 1st January 1868 to 30th June 1862. The
designation of that appointment, however, is not
traceable in the Annual returns and record in this office
which are expected to contain the scale of pay of all
permanent Establishments of Government.

the Service Establishment of this District, and
is paid from Village Service Fund Major
head "Local and Special Funds". His Service

ifying for pension as there has hitherto been
no precedent in this District of a pension

and Peons.
