Not verified from the Audit Register of this office, owing to the omission thereof of the names of numerous inferior grades, not from the Divisional Office for want of the necessary records. An affidavit with statements of two conv. temporary servants have however been obtained and are herewith forwarded. The period has been closely ascertaining on the strength of the opinion of the Superintending Engineer that the Service has been established and should be admitted. Vide his letter No. 1325, dated 9th August 1880. Copy herewith and entry in the 3rd page of the gratuity Application.

Admitted from the Audit Register of this office, being verified from the Records (viz. Gratiuity Rolls) in the Executive Engineer's Office

The applicant's services were dispensed with on the afternoon of the 5th January 1880 in consequence of the General reduction of establishment in the PWD. The applicant was a Lascar on the permanent establishment but it was transferred to the City on the re-organization of the Department in September 1878.

Not verified from the first Register of the Office owing to the omission therefrom of the names of members on the Superior Subaltern list verified from the New York and Virginia (note copy of the last Virginia list 22nd April 1890) 25th September 1890. Copy furnished.

The applicant was a Lieutenant in the reorganization of the Department in September 1890 and again brought on the permanent establishment list on the 10th October 1890 in which capacity his service was discontinued with effect from the 21st April 1890 owing to general reduction of establishment in the Public Works Department.

Although service had been claimed from only 12th April 1890 a copy of a certificate granted by Captain H. Graham, Engineer Engineer, dated 12th July 1890 had been entered in Columns 2 and 3 of the establishment list. A reference however being made to the Superintendent Engineer it has been ascertained that the latter was prior to 1890 in the private service of Captain Graham and not in Government service (vide copy of Superintendent Engineer's list 20th Sept. 1890).

The following papers accompany the present application.

* In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 84 Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Heads of the Offices in which the applicant states he served during the period in doubt, Section 84 Rule 4; and if verification from this source be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates and the evidence of contemporaneous employers, Section 84 Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not, Section 84 Rule 6. The Last Pay Certificate, prescribed in Section 85, should always accompany the Final Pension Application.

+ If the applicant is recommended for a pension or gratuity as compensation for abolition of Office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government, in respect to the cost of the abolished appointment, has been produced. *Vide* Rules 1 and 6, Section 59 of the Civil Pension Code.
