Certified that qualifying service in Superior Grades has been duly proved for 4 years and 1 month, but that no gratuity would seem to be admissible as the total period of qualifying service falls short of 5 years. Vids Section 76 (a) of the Civil Service Code.

The Officer in Charge of the Revenue Settlement Deptt seems to think that the applicant may be allowed to count for gratuity the period of his acting service from 15 October 74 to 30 November 78 since he drew the full pay of the officer and was ultimately confirmed in it. But this office is unable to concur with him, in as much as the permanent incumbent of the post was entitled to count as an Superior servant, the period of his absence on leave without pay as service qualifying for gratuity. Vids Sections 10 and 50 of the Civil Service Code.

Certified that (subject to the remarks below recorded) qualifying service in inferior grades has been duly proved for 3 years 10 months and 14 days; but that no gratuity would seem to be admissible as the total period of qualifying service falls short of 3 years. Vids Section 76(a) of the Civil Pension Code.

The calculations have been duly verified.

The Officer in charge of the Revenue Settlement Department seems to think that the applicant may be allowed to count for gratuity the period of his Acting services from 5th January 74 to 16th February 76, since he drew the full pay of the applicant and was ultimately confirmed in it. But this officer is unable to concur with him inasmuch as the permanent incumbent of the post was entitled to count as an superior servant, the period of his absence on leave without pay as service qualifying for gratuity. Vids Sections 13 and 53 of the Civil Pension Code.
