Sr. Papero put up. The reason why it is not advisable to inform Mr. Dumphy of the length of service, for which a pension has been granted to him, is that it may lead to further references from him on the subject. Mr. Dumphy's case has not been finally disposed of a reference has been made to the Govt of India in view to the break in his service being condoned. Should reply be favorable Mr. Dumphy will be granted a higher rate of pension. W.P.
