No 402/1409

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior/superior} grades has been duly proved for 14 years 5 months and 20 days; and that an Invalid {pension/gratuity} not exceeding Rs. 60 per annum 64 months pay, is admissible under Section 64 and 68(a) of the Civil Pension Code. The calculations have been duly verified

The applicant appears to have been suffering from attacks of Leprosy. The Zillah Surgeon, Tinnevelly accordingly certified on the 18th August 1875, that he was not likely to derive any benefit from further Medical treatment. Accordingly Mr. Cane the then District Judge under whom the applicant was employed, removed him from the service but did not seem to have considered the question as to whether or not any pittering allowance should be granted to him for his past services. On the 18 March 1880, however the applicant was declared to be permanently incapacitated for further service and hence the present application for Gratuity. Under these circumstances it rests with the Government in Council to decide whether the case is one deserving of special consideration under the provisions of rule 2 section 5 of the Code. If it be determined in the affirmative the applicant may be granted the Gratuity recommended above, otherwise no pittering allowance would be admissible to him under the stated provisions of the Code.

The delay in the submission of this application is explained by the District Judge

With reference to your letter No. 574 P.S. 1st dated 13th December/80 I have the honour to inform you that Clerk B. A. The Clerk's absence for 3 days in March 1878; appears not to have been known to the Executive Engineer by whom the Privilege leave for 2 months was granted. — It is surmised that the 3 days absence had been condoned: and might have been converted into casual leave; but there is no record
