No. 1553

Countersigned in the month of June 1881, that as the applicants total period of qualifying service amounts to 24 years 5 months and 9 days only, he is, under the strict letter of the rules, entitled to a Pension of Rs. 18 8 a per annum. Government in their Order No. 1386 dated the 11th June 1881, P.W. Department, embodied in P.O. No. 699 dated the 16th July 1880 Pension Department, contained the deficiency in the applicants service to the extent of 6 months. With reference to this condition it is pointed out, that under the provisions of Section 78 A 2161 of the Civil Pension Code, a local Government cannot contain a deficiency exceeding 3 months and exceeding one fourth of an officer's non-qualifying or Superior Pension as a case like the present, in which the Pension will form a charge against Imperial Revenue.

Should Government however in consideration of the various hardships that would be imposed upon the applicant by the grant to him of a pension equal to only of his average emolument, be pleased to sanction a higher rate of pension than is strictly deductible under the rules, it is respectfully pointed out that the case will need to be submitted to the Government of India in the Financial Department as required by section 89 of the Code. In accordance with Rule 3 A under Section 8 of the Act of Government is respectfully submitted to Section 22 of the Code.
