To, The Assistant Engineer P.W.D.
Madura Dn.

Sir,
With reference to your letter no 2140 of 15th Instant, I have the honor to point out that Rule 5, Section 105 of Civil Pension Code applies only to cases in which a gratuity is applied for; whereas the application in this instance is for a Pension, to which I am informed the applicant is entitled. His application is based upon a regular certificate of unfitness for further service granted by the Civil Surgeon.

I have no objection to certify confidentially or otherwise, if required, that the applicant's prospect of life is over age, but I am unable to see the necessity for such a certificate under present circumstances.

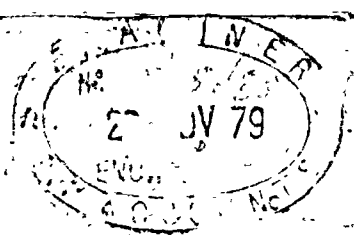

I have to

Dated 11.11.1894 dated 25th November 1894.

With reference to your letter No. 231 of
the 22nd July last, I have the honor to forward
herewith a revised application for gratuity on behalf
of U. Nagalingam Pillay late Owner of the
1st grade Madras.

2. It would now appear that the applicant
was dismissed the service by the late District
Engineer Madras on the 19th April 1869 in connection
with the late Sub. Engineer Chembur's case, and
was only re-employed in a permanent footing
from the 16th December 1865, hence he has forfeited
all his previous service, and I consider therefore
that it is unnecessary to go into the details of
verifying the applicant's services prior to the date
on which he was employed as estimator in the
Superintending Engineer's Office of the late 1st Division,
viz. 16th December 1865.

3. Referring to para 6 of your letter, I have
the honor to inform you that the applicant
has drawn his pay from 1st to 25th November 1896
in the late District Division, vide Salary Bill of
that Division for March and June 1897. His claims

records of the applicant stating that the Pension
Division Officer has been requested to adjust the
claim.

4. The Service Book has been completed
with my signature in the places provided for
the same as required in para 7.

5. In regard to para 8 of your letter under
reference I have the honor to forward herewith
copy of letter from the Zillah Surgeon to the
Assistant Engineer, Madras No. 209 dated 22nd Oct^r
1879, and with reference to para 1 thereof I have
to point out that the Zillah Surgeon bases
his opinion on the former application submitted

Certificate and Report of Examiner, Public Works Accounts.

No. 538. A. R.

Certified that qualifying service in Superior grade has been duly proved for 12 years, 7 (seven) months and (19) nineteen days and that an invalid's gratuity not exceeding \$2,000 (two thousand and two hundred) equal to 12 months' emoluments at \$200 per annum is advisable under Sec. 604 of the Civil Pension Code. The calculations have been duly verified. The invalid's gratuity if sanctioned is chargeable to General Revenue.

As the gratuity above recommended with commutation yielded a pension of more than \$2 per annum the Confidential Fiscal Report provided in Sec. 105 Rule 5 of the Civil Pension Code has been obtained and is herewith forwarded.
