No. 400.

FROM

THE SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to forward the following case for the favorable consideration of the Governor-General in Council.

2. S. Parthasaradhy Moodelliar entered the Government Service as an English Writer on the establishment of the Collector of Cuddapah in January 1843. In September 1846 he entered the Postal Department and continued there till the 11th March 1857; his service in this department cannot be verified as the records of the Postal Department prior to 1873 are not available. A break then occurs in his service of one year, seven months, and nineteen days. But even during this break he held an acting appointment in the Revenue Department for a period of six months. Subsequently on the 1st November 1858 he obtained a permanent appointment in the Collector's Office, Cuddapah, and continued in the Government Service till he retired in June 1880. His total service under Government thus extends over a period of more than thirty-five years, and but for the break in the continuity of his service, S. Parthasaradhy Moodelliar would be entitled to half-pay pension of Rs. 17-8-0 a-month. For his service of twenty-one years, six months, and eleven days subsequent to the break, he has been granted a pension of Rs. 11-10-8, or one-third his average emoluments.

3. The Governor in Council considers that applicant's case is deserving of favorable consideration, and that serious hardship would be imposed on him if his service of upwards of fourteen years prior to the break should not be reckoned towards pension. Owing to the want of the necessary records in the Postal Department, the precise cause of the break cannot be ascertained. Applicant's own statement is that he was relieved of his duty as Deputy Postmaster of Cuddapah on the 12th March 1857, as he did not wish to join his new appointment at Nellore, to which place he had been transferred. Judging from the Service Register, applicant seems always to have borne a good character and to have performed his duties satisfactorily; the Right Honorable the Governor in Council therefore recommends that the break in his service be condoned, and that he be allowed an increased pension of Rs. 17 in lieu of that already granted to him.

I have the honor to be,

Sir,

Your most obedient servant,

OOTACAMUND,
13th April 1881.

Secretary to Government.
