Sir,

I have the honor to forward
herewith an application for Pension
in behalf of M. Moonesawmy Pillay
late a Clerk in the Sinnerally 9th
Office who was thrown out of employ
in the recent reduction of Establish-
ment.

I may mention here that the
Applicant's Services amount in all
to 29 years 6 Months and 5 days; of
which 24 y - 8 M and 6 days ^{were} in su-
perior Service, being less by 3 M.
and 24 days than 25 years, to entitle
him to half pension. As the
Applicant's Services were to be
dispensed with in consequence of
the general reduction in the Des-

Encls - 3 -

department, he was not allowed to
continue in the Service till such
time as to entitle him to half pen-
sion. Under these circumstances
I have allowed the applicant half
pension, and trust that Government
will be pleased to accord their
Special sanction to my propo-
sal under rule 2 a Section 78 of
of the Civil Pension Code.

3. The last pay Certificate
of the applicant is also enclosed.

Sir,

Enclosure 1.

Adverting to G. O. dated 8th ultimo
No 136 F.D. granting a pension of Rs 11-10-8
to late clerk N. Moonesawmy Pillai of this
office, I have the honour to forward a
letter from him bringing to notice that
the pension is only one third of his pay,
and that at the time he was retired
all that he wanted to complete 25 years
service and thus qualify for a half pay
pension was 3 months 28 days. He also
points out that in addition to his superior
service, his non-qualifying service, vide his
Pension Application dated 15th March 1880,
amounts to 4 years, 9 months, and 29 days,
and that up to the limit of half of this
under section 78 A Rule II, a of Chapter XIII
of the Civil Pension Code this service can
be allowed to count towards pension, and
he begs that this may be added to his
superior service and thus qualify him

for a half pay pension.

2. Moonesawmy Pillay
is one of the clerks retired under G. O. No.
265 W dated 3rd February 1880. His case appears
to me to be a particularly hard one. At
the time he was retired, he was over 55
years old, but as reported in G. O. No. 2750 W.
dated 3rd November 1879, he was still able
to do his work, and, under ordinary cir-
cumstances he would not have been
compelled to retire, so that had he not
been retired he would have qualified for
a half pay pension. To grant to him now,
after an approved service of 24 years 8 months
and 2 days, only a one-third pension seems
to me to be very harsh, and I certainly
do not think that it is encouraging
for Government servants in general to see
an old and well conducted Public servant
treated in this harsh way. Under these
circumstances I trust you will urge
Government to allow Moonesawmy Pillay's
inferior service to count for pension and
grant him a half pay pension.

I have the honor to be,

Sir,

Your most Obedt. Servant,

J. W. Martin

Executive Engineer.

pension

The humble petitioning
M. Moonesawmy Pillay
Clerk D.P. Mr.
and now residing in
Palamcottah.

Most Honored Sir

With due respects
I beg to acknowledge receipt of
your Honor's endorsement, No 1004
dated 1 instant on G.O. 8 February 1881
No 1367. D. granting me a
Compensation pension of Rs. 11-10-8
for my services of 24 years 8 months
and 2 days from 1 March/80, and
to respectfully point out for con-
sideration the following facts
which require your honor's support
and favorable consideration.

By G.O. No 2750 Mr.
dated 3 November 1879, although
I was 56 years old I was allowed
by your honor's recommendation
to continue in service until
I had

as a special case.

In

I had completed the full period
entitling me to full pension
but by the reduction orders these
orders had to be superseded and
I was dispensed with on 1st
March/80 then I have not been
able to leave the full term
required (by 3 months and 28 days)
to entitle me to a full pension
($\frac{1}{2}$ of my pay) I have had a non-
qualifying service under the
Collection and of this is ordered
also to be counted towards pension
as allowed by rule 2 (a) Section
78 A of the Civil Pension Code.
I would have been allowed the
full pension. Although your
Honour has been gracious enough
to recommend for it, yet I have
been quite unfortunate in not
having been ordered to draw it,
and as the matter has evidently
been overlooked in some of the
controlling account Offices,
I beg most submissively
to solicit your generosity
to

as a special case.

1. Copy of letter.

I have the honor to forward the accompanying letter from the Executive Engineer, Tinnevely Division No. 599 of 5th March 1881, with its enclosure, again bringing to notice the claim for half pay pension of the late Clerk Moonesamy Pillay of the Tinnevely Division; and under the circumstances therein set forth I request that the Government may be pleased to grant the additional pension as a special case.

In

N. 596

2. In forwarding the Pension application on behalf of Moon-saw-samy Pillay to the Examiner, the late Superintending Engineer Mr. Randall in his letter No. 1541 L.N. of 18th March 1880, copy of which is also enclosed for convenience of reference, recommended that half pension should be granted to Moon-saw-samy Pillay under rule 2a. Section 78 A. of the Civil Pension Code; but apparently no notice was taken of that letter, as nothing is said about it in the G.O. No. 136 of 8th February 1881 sanctioning $\frac{1}{3}$ pension only to this clerk.

3. As I consider this is a particularly hard case, I trust Government will be good enough to take into consideration the long and faithful service

rendered by this man and allow him half pension instead of the one third pension already granted.

I have the honor to be
