MADRAS,
Chepauk, 30th July 1880.

From
THE SUPERINTENDENT OF WORKS,
PRESIDENCY,

To
The Examiner of
P.W. Accounts.

Sir,

Enclosures.

In re-forwarding the Gratuity Papers of Venkatappa, late Messenger, Bangalore Division, returned with your No 431 S of the 15th instant, I have the honor to inform you that this individual's services cannot be verified from the records, owing partly to Acquittance Rolls not being forthcoming, and partly to the omission of the names of incumbents in inferior grades.

2. In the recent arrangement of Establishments, one of the two Messengers who were attached to the Bangalore Division

Division had to be transferred to Madras. But Venkattappa (one of the Messengers) having expressed his wish to retire on the plea of old age and infirmity, and the Assistant Engineer having reported that he was above 55 years of age and past work, he was permitted to retire. No Medical Certificate was obtained prior to his relief, evidently by a mistake; for the Assistant Engineer claimed the Gratuity Application submitted by him on behalf of Venkatappah, as Compensation Gratuity. This was incorrect, as Venkatappah was not thrown out of employ (since there was a post available for him at Madras) but retired on account of old age and infirmity. Hence the Medical Certificate was obtained subsequently, and the Gratuity claimed as Invalid Gratuity.

3. A Service Book for Venkatappah is forwarded as requested.

I have the honor to be

Certified that I have carefully examined Venkatappah son of Boora Reddy late Peon attached to the Bangalore Divisional Office.

His Age is by his own Statement 62 years, and by apperance about 62 years.

I consider Venkatappah to be completely & permanently incapacitated for further Service of any kind in the Department of Public Works in consequence of being old & worn out. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

SIR,

With reference to your report on the application for Gratuity on behalf of Venkatappa, late a messenger, Executive Engineer's office, Bangalore Division, I have the honor to enquire whether the applicant's qualifying service in Inferior grades amounted exactly to 15 years, or was above, or under that period, as he would, if his service extended to 15 years, or over that time, be entitled to a gratuity equal to 5, instead of to 4 months Pay only, as recommended by you in the above report which latter would be admissible to him only, if his total Service amounted to less than 15 years

Copy of letter from the Asstt. Engineer Bangalore to the Supt. of Works Presidency No. 361 dated 10th November/80.

In reply to your Endorsement No. 2916 of 8th Instant, I have the honor to report as follows:—

When Lascar Venkattappah was examined by me in May last as to the date of his entering the Department, I found he had no idea of dates, and did not even know his own age or the year he was born. I ascertained after, a good many questions that he was appointed by Lt. Tulloch R.E. about the time that the Ulsoor Water Work Project was commenced which from the Office record I was able to fix as some time in 1864-65. I accordingly entered the latter date in the Affidavit to which, after it had been explained to him, the lascar affixed his signature.

Subsequently I was directed to obtain an Affidavit from the Lascar taken before a Magistrate, which was accordingly done in September. When forwarding this Affidavit I did not notice the discrepancy in the dates not having the former one to refer to.

The

The Lascar is very old, his memory very defective and his mental faculties greatly impaired, and I found it very difficult to get any intelligent evidence out of him. As stated above, his replies lead me to believe that he was appointed as a storekeeper or watchman when the Ulsoor Project was actually commenced which would be about 1865.

It is possible, however, that he was appointed by Lt. Tulloch in 1862 when he was on special duty in Bangalore for about four months engaged in preliminary investigations in connection with the scheme. I am of opinion that this appointment was merely temporary, probably that of a Survey lascar, and that he was not regularly appointed to the Division until the later date, when Lt. Tulloch came to take over charge of the Division.

The period has been classed as qualifying with reference to section 28 of the Civil Pension Code.

Verified from the Audit Registers of this office and found correct.

The entries in the service book are incorrect in regard to the dates of appointments &c., but as the entire period of the applicant's pensionable service has been duly verified from the audit registers of this office and the records of the Superintending Engineer's office the return of the document to the Superintending Engineer for correction and retransmission was considered unnecessary as only delaying the submission of his pension papers for the orders of Government.

The applicant's services were dispensed with on 31st January 1880 owing to general Reduction of Establishments in the Public Works Department.

The following papers accompany the pension application:-
