Pension.—Granting a compensation pension of Rs. 10 per mensem to A. Ruthna Mudaliar, late Clerk, Public Works Department.

Copy of letter from the Superintending Engineer 2<sup>d</sup> Circle to the Examiner P. W. Accounts No. 47, of 25<sup>th</sup> February/81

With reference to your letter No. 942 S.E. 2<sup>d</sup> dated 18<sup>th</sup> February, 1881 I have the honor to inform you that from the records of the late 3<sup>d</sup> Circle now available in this Office I see that Ruthna Mudaliar in his letter to the Executive Engineer North Arcot D.O. dated 15<sup>th</sup> December 1879 intimated his willingness to retire from the Service as clerk on Rs 30 per mensem and the Superintending Engineer of the late 5<sup>d</sup> Circle in Memo. No. 505, of 29<sup>th</sup> January 1880 accepted the resignation of A. Ruthna Mudaliar as well as that of L. Balakrishna Mudaliar Head Clerk of the North Arcot Division under the terms of G.O. No. 2594 dated 5<sup>th</sup> October 1879. Government in their Pension Department Order No. 911 dated 9<sup>th</sup> September 1880 sanctioned a pension of Rs 23-5-4 to the latter individual.

2 If Ruthna Mudaliar had not

retired from 1<sup>st</sup> January 1880 it appears that he could have been then retained but owing to the further reduction ordered it is almost certain his services also would have been dispensed with though there is no record to show this distinctly -

3. Owing to the general reduction and amalgamation of several D<sup>s</sup> it is not possible to state the definite saving accrued to Government in this individual case -

4. It is not known from the records why a suitable employment cannot be provided to Ruttina Moodehar who seems to have resigned prior to the 2<sup>nd</sup> reduction hence his name was not brought in subsequent lists of clerks -

5. The pension application of the Clerk has not been received with the letter under reference

For portions of the applicant's service viz: (a) 1<sup>st</sup> February 1857 to 30<sup>th</sup> April 1859 } which could not be verified for want of records either in your or my office, I enclose an affidavit, in the prescribed form, from the applicant supported by statements of 2 of his contemporary servants, and from it, it will be noticed that the applicant states that he drew only Rs 15 and 20 for about one year, while the pay of the appointment was Rs 30 and I am unable to state, in the absence of records, whether

this statement is correct or otherwise.

3 With regard to the query as to how, the applicant was allowed Leave on Private Affairs from the 4<sup>th</sup> October 1875 to 3<sup>rd</sup> January 1876, this Office is unable to answer the point; the applicant, also, could not explain it, and from a reference to the records of the late District Engineer, I find that the leave in question was simply sanctioned by the District Engineer without any further question as to whether the leave was admissible to the applicant, or not.

4 As to the remarks by Head of Office on the 5<sup>th</sup> page of the application, I cannot say, whether or not, if the applicant had not rendered voluntary resignation, his services would have been retained in the Department after the 30<sup>th</sup> April 1880, and I suggest a reference on the subject, be made to the Superintending Engineer late 3<sup>rd</sup> Circle.

1 Affidavit

1. Halim

Answering to your letter No 943,  
 dated 18<sup>th</sup> ultimo, I have the honor  
 to inform you that the services of  
 A. Ruthven Woodell from 1<sup>st</sup> Sept<sup>r</sup>  
 1863 to 31<sup>st</sup> March 1864, have been  
 verified, from the records of the late  
 Village Division and the leave enjoyed  
 by the applicant during that  
 period has been noted in the  
 application —

2. With regard to the evidence required by you, as to whether the applicant was in permanent employ of Government and whether there were any breaks in the continuity of service, and also whether the applicant was at any time absent on leave other than privilege leave, I beg to inform you that of the 2 contemporary servants who have

furnished statements in support of the affidavit given by the applicant, one has declared his inability to give the above information except that he admits the applicant was during the period under reference in permanent employ of Government while the other has not sent in any reply to a reference on the subject made by this office, and I also do not think that he could possibly furnish information on these points.

As the papers suffer much delay from want of this information I return them with the report of one of the contemporary servants only. The report of the other man, will be transmitted when received.
