of the applicants' services has been treated as qualifying on the strength of the remark noted against entry 6 on page 5 of the gratuity application. In the absence of precise information as to the month and date of the Applicant's first appointment, the period of his qualifying service has been reckoned to commence from 1st January 1852 but this in no way affects the amount of gratuity shown as admissible, as he would either way have completed more than 20 and less than 30 years' qualifying service.

The applicants' services were dispensed with on the afternoon of the 29th February 1880, in consequence of the general reduction of establishments in the Public Works Department.

The applicant was a lascar who belonged to the permanent establishment but who was transferred to the petty under orders from Government on the reorganization of the department in September 1878 vide also letter No 26 dated 7th March 1881 from the Executive Engineer Nellore (copy herewith). It has been decided in G.O. No 2463 P.W. dated 25th October 1880 that pending the approval of the Government of India, such lascars may be considered as members of the permanent establishment, and their cases disposed of accordingly.
