Copies of testimonials granted to V. Masilamony Mudaliar, by the Executive Engineer North Arcot Division & Actg. District Engineer North Arcot, of 8th Mch/57 & 26th June/58 respectively.

Masilamony was writer on the Palaar Anicut for nearly two years under my orders during which time he gave me great satisfaction. He is a good hand at accounts and writes a good hand. He took his discharge for the purpose of being appointed 2d. Writer to J. H. Dopping Esq. CE.

The bearer Masilamony has been in my Office a writer and Accountant for more than 3 years. He writes a capital hand, and is a really first rate accountant. During the time he has been with me I have had every reason to be pleased with him. He is a very respectful sort of man and strictly obeyed all orders given him.

He now leaves me having been transferred to another Office and I have therefore great pleasure in giving him this testimonial of his valuable services. —

Supdt: Correspondence [illegible]

Copy of letter from the Executive Engineer North Arcot Division to the Examiner P. W. Accounts Madras No. 3265 dated 10th January/

Adverting to your letter No. 785 of 17th ultimo, to the address of the Supdt. Engineer II Circle, I have the honor to inform you that of the periods of V. Mailamony Mudaliar's services detailed in the margin of your letter the portion from 13th June 1857 to 30th April/59 have been verified from the record of this Office, as mentioned in column "How verified" of the History of the applicants' services. The other period viz - from 16th January 1855 to 31st October 1856, does not qualify the applicant for pension, as the appointment as writer on the Palar Anicut, is only temporary while the period from 1st November 1856 to 12th June 1857, of which a portion - viz - from 1st April to 12th June 1857 only, could be verified is too short to entitle the applicant to 1/2 pension. I shall therefore feel obliged if you will let me know at an early date, whether you consider an affidavit for the whole or portion of the periods, named in the margin, is still requisite.
