Copy of letter from the Executive
Engineer (Chief) Division to the
Superintending Engineer 25 Feb. L. 813
dated 4th March 1887.

I have the honor to submit
herewith Service Book and Pension Application
of J. Connoorsamy, formerly, Late
Sub Nurse's Clerk in the Chief Engineer Division
Office and who was thrown out in the general
reduction of establishments in January
1880.

2. From the pay Abstract Book kept
in this Office, it appears that pay for
16th July 1877 was not drawn, but why it
was not drawn is not clear. However the
applicant in the letter herein enclosed
explains that the pay was not drawn
as he was fined that day's salary for
late attendance. As by section 55 of the
Civil Pension Code an interruption in
the service entails forfeiture of past
service, I have the honor to request that you
will be good enough to condone the day's
absence in consideration of his past
service.

3. The applicant received notice
on the 21st November 1877 to the effect
that

that his services will be dispensed with on account of reduction of establishment. He was finally relieved of his duties on the afternoon of 31st January 1880.

The enclosures received with the Memorandum forwarded to Col. & Mr. Lytle.
 The explanatory memo from applicant enclosed to Col. & Mr. Lytle.

Mr. Webb's to Govt are also returned.

Verified from the records of the history
 fund office and found correct with the
 remarks of the Controller with the
 account on his patency application
 submitted in July 1894 received from the
 Secretary of Government (Cassius D. Pratt-
 man (husband)). The applicant was
 thrown out of employ owing to violation
 of established laws and was granted
 a compensation patency of \$14.75 a day
 by the Pension Department. It was not until
 July 1894. The account was not however
 refunded by him in his re-employment
 under Government service - vide Executive
 Order (Chicago) No. 1000 of 1894
 May 1894. The period has therefore
 been closed as non-qualifying

Received from the Anti-Slavery
Office and found correct.

The Audit Register of this Office shows that no pay was drawn for the applicant for 16th July 44. On a reference being made, the Executive Engineer forwarded an explanatory letter from applicant stating that his pay for the day was withheld as a fine, for late attendance. The day has however been classed as non-qualifying.

Original from the Acad. Register
of this office and found correct.
The series of the applicant were
referred to the on the 31 January
1888 in consequence of the general
re-section of statistics sent in
the P.P. Report.

Certificate and Report of Examiner, Public Works Accounts, Madras.

Certified that (subject to the remarks below ~~recorded~~) qualifying service in superior grades has been duly proved for

(67) five years (4) four months 120 twenty ^{Calcutta 15 per cent} days; and that a compensation gratuity not exceeding Rs. 750/- benefit five equal to (65) five months' indemnity ^{Calcutta 15 per cent} is admissible under Section 60(a) of the Civil Pension Code. The calculations have been duly verified. The benefit is chargeable to superior grades but as the applicant did not superior grades benefit of Rs. 75 received by him for his earlier service and as he would have been entitled to a gratuity of Rs. 120 equal to (8) eight months' indemnity ^{Calcutta 15 per cent} for his qualifying service of 2 years (9) nine months and (14) fourteen days if he had superior grades the gratuity of Rs. 75 received by him for his earlier service, a compensation gratuity not exceeding Rs. 750/- benefit is now admissible under Section 42 Rule 9 of the Civil Pension Code. The calculations have been duly verified.

The above gratuity for his services from 4th August 1894 to 31st December 1894 is sanctioned, is chargeable to Local Funds and General Revenue - according to rule of proportion but as the gratuity payable to Local Funds is less than amount of the entire gratuity, the whole is debitable to General Revenue in accordance with Section 40 Rule 1 of the Civil Pension Code.
