Copy of letter from the Government Astronomer and Meteorological Supdt. to the Accountant General Madras dated 5th October 1880

I have the honor to express my regret that your enquiries with regard to the services of C. Vaidialingam Pillay, as an Assistant at Dodabetta Observatory, in your letter of June 8th should have remained so long unanswered; but the absence of my only English Assistant for twelve months, the death of my head native, and retirement of the second also, out of a small staff of seven have rendered the duties of my office unusually heavy throughout this year and hence the delay.

The first mention I can find in the Observatory records of the services of C. Vedalingum, is that he was ordered to proceed to Dodabetta on January 19th 1852 as Asst. to J. De Cruz, who was then in charge of the station. His salary was fixed at Rs. 25 per month, and he must have been working in the Observatory here at least a year, as otherwise Captain W. K. Worster, the acting Astronomer, would not have appointed him as a Dodabetta Asst. He remained there till August 15th 1854, when in consequence of some quarrel with his superior officer, Mr. De Cruz, he was ordered to return to the Madras Observatory on the reduced rate of Rs. 15 per month, not I believe as any disgrace or punishment but probably because there was no other post vacant to which he could then be transferred. Refusing to accept the change and reduced pay, he remained at Dodabetta until November 24, 1854 when his services there were dispensed with, and he was ordered to refund all pay received since the 23rd August. Whether this order was carried out, I cannot say, neither do I know anything further of Vidalingum's subsequent Career.

His disagreement with Mr. De Cruz reflects no blame upon Vidialingum as no one seems to have been able to put up with the treatment of the former. Even the lascars were driven to seek support from the Astronomer against Mr. De Cruz's harsh and inconsiderate proceedings, and had I then been Astronomer Mr. De Cruz would have been the one I should have removed, for other reasons besides his frequent quarrels with his inferiors.

The procedure in the Observatory and I suppose in many other Offices also, before the transfer of authority from the old East India Company to the Crown was very lax and totally different to present regulations. The Head of an Office had a nominal roll of assistants on stated pay, but it seems to have been no uncommon practice if more hands were wanted to reduce the pay of the older assistants & subdivide salaries almost at the caprice of the individual in charge. Hence men were often employed on small pay without their names appearing in any official list as members of an Establishment, and such was probably the case, if as I understand from your letter the name of Vidalingum was not returned in the annual lists of employés during the years referred to.

With reference to your letter No. 577 S.E. 2d dated the 11th ultimo, I have the honor to inform you that the services of retired Clerk C. Vidialingum Pillay as noted below have been verified from the records of the late Nilghiri Division Office, and that I am of opinion they count towards pension.

With reference to para 2 of the Examiner's letter No. 916 S.E. 2d dated 12th Instant forwarded to me with your endorsement No. 305 dated 26th Instant, I beg to inform you that I did secure a lien on my substantive appointment of Storekeeper before being appointed temporary Overseer on the Lawrance Asylum Works. It will be seen from the pay abstract that John Jeremiah acted for me in the appointment of Storekeeper on my responsibility and on my security of Rs 200. Moreover, the whole object of my being employed on the Lawrence Asylum Works was to collect lime stone at Kattapollium as I was considered better suited for the work than other. It was no wish of mine that I should be so employed.

2. I also beg respectfully ~~to~~ add that Colonel N. T. H. Farewell who was the then Captain Executive Engineer of the late Nilgiri Division at the period in question appointed on my own responsibility and security one John Jeremiah an Overseer's Clerk to act in my place as Storekeeper and ordered me to go down to Kattapollium and to make all the necessary arrangements for lime stone being dug and carted up to the Lawrance Asylum Works on a large scale to admit of the building being rapidly proceeded with: which I did to the entire satisfaction of that Officer; and no sooner I rejoined my

appointment than I was promoted to be an Accountant on a salary of Rs. 60 per mensem in recognition of the valuable services I rendered.

3. Under these circumstances I beg most respectfully to request that the above period of two months may kindly be calculated towards my pension.
