by him. As regards the acting appointments held by the applicant from 1st February 1865 to 28th February/66 and from 22d June 1867 to 31st July 1867, he drew full pay of the appointments to which he was posted to act substantive protem: hence no entry is made in the column "acting allowance" in the Service Book.

Answer to query No. 20 – The applicant has not been removed on account of inefficiency such as is contemplated in Section 7 of the Civil Pension Code, but his inefficiency is due to advancing age and general debility –

The Special Explanation of the Head of the Office and a Second* Medical opinion required by note 2 to Section 63 of the Civil Pension Code, are herewith forwarded –

The delay in answering this reference was owing to the absence of the applicant from Coimbatore: he was twice written to to attend for examination: he returned from Shemoga to Coimbatore only in the middle of September 1880 – Even then, he was unable to attend this Office for examination being confined to sick bed: hence the 2d class Magistrate of Coimbatore was (as requested by the applicant in his letter dated 22d October 1880) asked to take his affidavit – One of the 2 contemporary servants had to be sent for and examined.

Sir,

I have the honor to acknowledge the receipt of your letter No: 345 dated the 27th Instant, forwarding an extract of a letter from the Accountant General Madras, relative to a certificate given by me to late 2nd Vernacular Clerk P. Vencatta Row, Collectors office. In that certificate I stated the man to be "completely and permanently incapacitated for further Service, in consequence of inability to write properly". The history of the Case is as follows. P. Vencatta Row was sent to me for examination by the Collector on the 19th January last, and I was asked to certify as to his fitness for further Service, on that occasion I granted a certificate stating that I could not find any Cause of unfitness &c. With reference to this certificate the Collector wrote officially to me, requesting me to reconsider the Case, and at the same time added "I enclose also a specimen of his handwriting just executed in my presence, these few words were written slowly and with labour quite incompatible with the duties of a clerk in a Collector's office" I then examined the man, and found that he was able to write very slowly and with difficulty, his hand shaking so as to make it appear obvious that he was unable to write properly. If this be not a cause of incapacity for further service as a Vernacular Clerk in a Collector's office, I am ready to withdraw my certificate

As to the cause of this unsteadiness in his hand writing, and of the difficulty he experiences in writing I think it is probably due to advancing age & general debility, and not to any irregular or intemperate habits.

FROM THE ACCOUNTANT GENERAL

TO THE Collector of

~~SIR,~~ Vide your application for Pension on behalf of C. Venkata Rao, late 2d Vernacular clerk, Collector's Office.

Sir,

With reference to your explanation furnished in reply to this Office memo No. A.D.K. / 344 dated 21st May 1880, I have the honor to point out that, although the applicant was allowed the full pay of the appointment of Jumastah for the period he acted in it, viz from 5th January 1855 to 18th March 1856, he could not be considered as entitled to count service for Pension, inasmuch as the permanent incumbent of the post who happened to be under suspension retained lien on the appointment. If it could be proved that Venkat Rao — while acting as above did not forfeit lien on his substantive appointment

as

as Gumastah, Perundurai Taluq, on pay of Rs12/4, there would seem to be no objection to his reckoning towards pension the period of service rendered in the acting appointment.

Information should be furnished as to whether the Private affairs' leave enjoyed by the applicant on the various occasions detailed in the history of service was with or without pay. The grant will have to be justified, should it appear to be irregular, with reference to Section 6 Supplement F. to the Civil Leave Code.

The original medical certificate declaring the applicant on the 15th March 1880 to be unfit for further service should be returned for submission to Government.

Ananthárama Patter is to blame for not having checked the Returns with reference to the followin accounts.

1. Inam accounts of $\frac{998}{1823}$ then in existence in the Taluq.

2. Village account and the General Abstract prepare therefrom in May shewing the whole of Kappakad pa Nilam land.

The last account was not returned from the Huzur an cancelled as imperfect as stated by Ananthárama Patter He did not bring to notice the entry of the abovesaid land in the accounts of $\frac{998}{1823}$ even when he had to ref to them for the preparation and submission of an other return called for by the Huzur office in connection with a certain piece of land belonging to Cherukunnu Devaswam Pagoda. The omission of 3/4 of Kuppakadpotta land in the former return and the entry of the whole piece of land belonging to Tirunanda Devaswam both of whi facts could have been clearly found on reference to the accounts of 998 were not brought to notice, and Anantha-rama Patter could not account for this omission. It is therefore directed that he and another be suspended from duty for three months.

Certified that I have carefully examined Imbichy Nair Peon son of Yachu Nair in the a peon. Taluque Cutchery, Calicut

His age is, by his own statement, 55 years, and by appearance, about 60 years, I consider peon Imbichy Nair to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs in consequence of old age – & is paralyzed in a great measure His incapacity does not appear to me to have been caused by irregular or intemperate habits. – of opinion that is fit for further service of a less laborious character than that which he has been doing, or may, after resting for months, be fit for further service of a less laborious character than that which he has been doing.

Calicut,
22d March 1870.

Civil Surgeon Malabar.

This is to certify that Maikitta Imbichy Nair has drawn his pay from this Treasury as peon of the Calicut Taluq at the rate of Rs 6 per mensem up to 31st August/78 and to no later period - He retired from service on the 31st March 1880.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No. ADJ 1351

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in { ~~inferior~~ superior } grades has been duly proved for 23 years 10 months and 3 days; and that a Superannuation { pension ~~gratuity~~ } not exceeding Rs. 5 per mensem i.e. equal to 1/3 Average emoluments, is admissible under Section 65, 68(b) & 70 of the Civil Pension Code, 4th Edition. The calculations have been duly verified. ~~The~~ { ~~pension~~ ~~gratuity~~ } ~~is chargeable to~~

It is observed from the Correspondence printed in G. O. No. 974 dated 17th August 1880 Revenue Department that the character and past conduct of the applicant have not been entirely satisfactory. It rests therefore with Government to make such reduction in the amount of Pension that may be sanctioned to him as it may deem proper with reference to Rule I section 22 of the Code.

The delay in the submission of this application is explained by the Collector in his remarks on the 3d page of the application.

Although the applicant's suspension from employment on the 10 November 1877 was not followed by immediate reinstatement to his post as required by Exemption (C) under section 55 of the Civil Pension Code Still the suspension has not been viewed as an Interruption entailing forfeiture of past services, in the presumption, that the Collector would have reinstated the applicant in his post, had it not been for his inefficiency owing to age.
