SIR,

I have the honor to return the papers connected with the application for pension on behalf of Mr. Durga Chetty. Mr. Durga Chetty retired from the service from the 1st of August last and died on the afternoon of the 27th of the month. I have the honor to recommend that a gratuity of Rs 20 be sanctioned to his family.

Durga Chetty's actual service was 23 years, 3 months & 5 days.

11. Explanation why the applicant was removed from the service before his incapacity for further service was duly established by a certificate.

12. Explanation why the medical certificate is post-dated to the extent of ^{days} months, the applicant having ceased to do duty on

13. Information as to whether the applicant applied for his ^{pension} gratuity during his life time; if so, when he applied and when he died.

14. Information as to the name of the applicant's heir entitled to receive the gratuity or the amount of arrears of pension due to him.

15. Revision of the affidavit and contemporary evidence. The evidence should contain information on the following points:—

(a.) Whether the applicant was in permanent employ of Government.

(b.) Whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible, be specified.

16. Information as to whether the appointment of ^{to} in which the applicant is stated to have been acting from ^{was fully vacant}, and whether any person, save the applicant, counted service in it during that period.

17. Information as to whether any endeavours were taken to provide a suitable appointment for the applicant. The amount of saving effected to Government by the abolition of his appointment in the Revision of Establishment should be stated.

24. Information whether the periods of leave on private affairs enjoyed by the applicant once in June/66 and again within 6 years in July/71, were granted on forfeiture of full or half pay. If the latter, how an infringement of the leave rules was allowed. Vide Sections 6 & 7 of the Civil Leave Code.

25. Insertion below No. 5 on the 3rd page of the applicant's report as to whether the entire service has been established by office records and should be admitted or not.

26

The reason assigned in the Service Book for the termination of the appointment on the 18th May/59 viz: "for being trimmed" is not sufficient to admit of the applicant's service rendered before that date being reckoned towards Pension. The life of a student in a Government School resembles that of an apprentice, and service rendered in the latter capacity does not count for Pension. Explanation is therefore requested of the grounds on which the service rendered before 18th May/59 and that rendered in Superior Grade viz: from 20th March/60 to 17th October/62 have been reckoned as qualifying Superior Service.

From

THE DIRECTOR OF PUBLIC INSTRUCTION,

The Accountant General,

Madras.

Sir,

In returning your letter no L.B.C. of the
5th February 1881 & the papers thereto attached,
I have the honor to forward a letter from the
Inspector of Schools, 4th Division, dated 10th
March 1881 no 682, furnishing explanation
on some of the questions raised in your letter.
The ground for the termination of appoint-
ment on the 20th March 1860 was the close of
the period of training. With reference to
question 19, I may state that the personal
marks of the applicant are no longer necessary.
The Inspector reports that the applicant
was on sick leave from the 4th to the 29th
June 1866. Durga Chettyar obtained permanent
employment in March 1856. As he did not
hold any certificate he was sent in 1859 to
the

Service

the Vellore Normal School to be trained and was allowed to draw full pay while under training. During the interval he should I think be treated as belonging to the Department and not simply as a normal pupil. The fixing of his salary at Rs 10- per mensem from 20th March 1862 does not appear to have been due to any fault of his. On a representation made by the Inspector of Schools his salary was raised in 1862 to the original amount he had been drawing. The application is herewith returned countersigned.

SIR,

In returning the Service Book forwarded with the above letter I have the honor to state that the information therein asked for regarding the amount of Pension to which Durgha Chetti is entitled cannot be furnished in the absence of the Certificate prescribed in Section 83 of the Civil Pension Code. The required application should be submitted to this office by the Director of Public Instruction vide Section 83 to 85 of the Civil Pension Code.

2. Durgha Chetti's Services from 3rd March 1856 to 18th May 1859 and from 20th March 1860 to 31st May 1879, as shown in his Service Book have however been verified partly from the Annual Returns and partly from the Andam Registers on record in this office and found to be correct.

3. The several periods of leave except Casual and Privilege enjoyed by Durgha Chetti throughout his Service should be noted in the

Service

Service Book and deducted from the total period of qualifying service on the 2^d page of the regular application -

As only a portion of the applicant's service has been verified from the Audit Registers which contain an Officer's Services in detail, they to request that you will be so good as to cause the entire period of his service to be duly verified from the records of the Office in which he served, and the result noted on the 2^d page of the application in the Column "How verified."

To

THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

(thru. the Accountant General)

On the 1st of August last Mr. Durga Chetty an Assistant Master in the Government School at Tirupatur retired from the service and an application for pension was sent in on his behalf. The application has not yet been disposed of as various enquiries are being made with the object of verifying Durga Chetty's service. The Inspector of Schools for the 4th Division has however reported that Durga Chetty died on the 27th of November last. In these circumstances it seems needless to pursue the enquiries; and as Mr. Bradshaw states in the enclosed letter that Durga Chetty's actual service was 23 years, 3 months and 5 days and that he would have been entitled to a pension of Rs 5-2-0 per mensem, I have the honor to recommend that a donation of Rs 19-10-7 be given to Durga Chetty's family in lieu of the pension he would have drawn had he survived. The average pay of Durga Chetty was
