From the Officiating Examiner of Public Works Accounts, dated 8th September 1880, No. 97 W.
Endorsement of the Public Works Department, dated 11th September 1880, No. 2084.
Endorsement of the Pension Department, dated 15th October 1880.
From the Examiner of Public Works Accounts, dated 23rd April 1881, No. 69-X.

ORDER THEREON, 7th June 1881, No. 528.

The applicant Pereapaliem Sambasiva Moodelliar, late Toll Superintendent of Buckingham Canal, was originally entertained as Quit-rent Amildar, on Rs. 8-12-0 per mensem, in the Madras Collector's Office on the 1st October 1849. After rising to the grade of Tahsildar he was first suspended from duty and subsequently dismissed from the service in June 1870 for negligence and unfitness to hold the responsible post of Tahsildar. A break then occurred in his service of one year, eleven months, and sixteen days from 19th October 1869 to 4th October 1871. But during this break he held the acting appointment of Toll Superintendent in Cochrane's Canal from 21st September 1870 to 4th October 1871, a period of one year and fourteen days. On the 5th October 1871 he was confirmed in this post, and continued in the Government service till 7th July 1879. The Cochrane's Canal Establishment on which he was employed, and which was under the supervision of the Collector in the Revenue Department till 7th July 1879, was a permanent Government Establishment, and as such the service rendered in it qualifies* for pension. The establishment was subsequently transferred† to the Public Works Department. After a further service as Toll Superintendent on the Buckingham Canal of eight months and twenty-three days he was thrown out of employ by revision of establishment.

* *Vide* Pension G.O., 24th January 1873, No. 58.

† *Vide* Public Works G.O., 8th July 1879, No. 1801-A.

2. Sambasiva Moodelly's total service amounts to upwards of twenty-seven years, but owing to his dismissal in 1870 only eight years, five months, and twenty-six days qualify. He is thus merely entitled to a gratuity of Rs. 800, or eight months' pay, but even this sum he is not entitled to receive because he has been certified by the Medical Committee as not possessing the normal prospects of life, and a pension not exceeding Rs. 6-10-10 per mensem in lieu of the gratuity is all that is allowable.

3. It appears, however, that, except on the single occasion which led to his dismissal in 1870, the applicant's service was uniformly satisfactory, and it will be observed from the Government Orders quoted in the margin that P. Sambasiva Moodelly though dismissed was not declared ineligible for future employment.

Revenue Proceedings, 30th May 1870, No. 781.
Public Proceedings, 9th September 1870, No. 1137.

4. Under these circumstances the Government are disposed to overlook the break in the applicant's service, and to permit him to count as qualifying service the period prior to 19th October 1869, and, in consideration of his having been certified

3m

not to have the normal prospects of life, the Honorable the Governor in Cou
is pleased to grant to P. Sambasiva Moodelliar a compensation pension of Rs.
fifty per mensem, payable at Madras from the 1st April 1880, in consideration o
qualifying superior service of twenty-seven years, eight months, and fifteen days.

5. With reference to paragraph 2 of the Examiner's letter, dated 8th Septe
1880, No. 97 W., the Government
already decided, in the case of G
Venkatapathy* Naidoo, that servic
Toll Superintendent, Cochrane's Cana

Chingleput, is reckoned permanent.†

Copy of applicants explanation addressed to the Superintendent of Works, Buckingham Canal Madras, dated 7th March 1881.

Referring to your letter of the 19th February 1881 No. 3077 which accompanied the P.W. Examiner's No. 1420+ of the 16th idem requiring me to submit any documents I may have in support of my having secured a lien on the substantive appointment held by me, prior to the period I was employed in the Survey and Salt Departments from 6th March 1854 to 29th May 1859, I beg leave to submit the following copies* of Tamil orders issued to me by the former Collectors of Madras with English translations separately made for them.

+ herewith returned.

*: A to F. Original sent to D. Collector's Office for reference.

From Order A, it will be observed that I was the permanent [illegible] Conicopillay of the Registrar's Department of the Madras Collectorate on a salary of Rs. 10-8-0 a month until 5th March 1854 and I was temporarily deputed to do duty in the Survey Department from the 6th idem, as a writer on Rs. 20, which place had been then newly sanctioned by Government, and on the understanding that I should revert to my substantive appointment when the temporary duty ceased:

Orders B.C.D. will clearly show that while doing the duties of the Survey writer, I was permitted to draw the salary of Rs. 21 assigned for the post of Salt Ameenany Gumastah though the duties of the latter office I never performed, but I drew the pay attached to that office merely as a promotion. This appointment of Salt Gumastah was abolished on the 20th December 1855 and I was transferred to the Survey on the following day. but the Government having again sanctioned the appointment of Salt Ameenany Gumastah from 5th January 1856. I was again appointed for the same from that date.

Orders E & F will convince you that before the temporary duty ceased I was I was appointed to and confirmed in the post of Head Jarabnevis and Translator on 70 Rs. pay, and that therefore I did not revert to my substantive appointment of Ponnedrent Concopillay.

From the foregoing explanation and documents, it would evidently appear that although I was temporarily transferred to the Survey and Salt Departments, still I had a lien on my substantive appointment of Ponnedrent Concopillay

Concopillay from 6th March 1854 to 29 May 1859, when I was appointed Hea Jarabnevis and Translator.

I beg also to add for your informatio that the employees in Survey Departmen were entertained on the distinct under standing that the services in the Depart- ment would count towards pension - vid E.I.C. Dy 1707 dated 23d December 1858 an it is certainly harsh now to consider the service rendered in that Department ineligible for pension.

Copy of letter from the Ag. Deputy Collector of Madras to the Treasury Deputy Collector Chingleput No. 1057 dated 22d September 1880.

In returning the original letter and the Service Register of P. Sambasiva Mudaly received from the Examiner of P.W. Accounts which formed enclosures to your No. 497 of 11th September 1880, I have the honor to furnish the information therein called for so far ~~a~~ as it can be obtained from the records of this Office.

In Collectors' order to the Cash Keeper No. 206 dated 10th July 1852, P. Sambasiva Mudaly was suspended from 1st to 31st July 1852, but the pay abstract for that month shews that the suspension order was brought into force from the 9th idem. The reason for this discrepancy is recorded no where and a copy of the Collector's orders is enclosed for your information.

2. Copies of Revenue Boards Proceedings No. 7947 dated 26th October 1869 suspending P. Sambasiva Mudaly and of Government Order No. 781 dated 30th May 1870 dismissing him from Office are also enclosed for your information as requested by you.

3. P. Sambasiva Mudaly seems to have had a lien on his substantive appointment of Conicapillay in the Registration Department while accepting the writer's place in the same department upto 5th March 1854

1854, as his name is repeated under the Concopillay's head during that period and the Temporary Appointments held by him in the Survey Department from 6th March 1854 to 29th May 1857 have been counted as service eligible for pension in the extract from the Minutes of Consultation No. 1707 dated 23rd December 1858 copy of which is enclosed

4. The designation of the appointment held by the applicant P. Sambasiva Moodaly from 1st July to 31st October 1860, is Head Clerk under the Deputy Collector of Madras and the records of this Office do not shew why the pay of the appointment was reduced from 25 to 20 Rupees per mensem between the above dates.

Para 12. The Government concur with the Board in considering that the late Deputy Collector, the Tahsildar, and the Sampratti Narsimah Charry are chiefly responsible for the heavy loss that has been incurred by Government. There is no evidence of connivance or complicity in fraud against the Tahsildar, but he is evidently unfit for his post, and his incapacity and negligence have entailed serious loss on the State. His dismissal is accordingly approved, but he need not be declared ineligible for future employment. The case against the Sampratti is stronger, and the Board's proposal that he be dismissed and declared ineligible for further Service under Government, is approved and sanctioned.

I have the honor to return herewith the application for pension submitted on behalf of P. Sambasiva Mudaliar late a Toll Supdt, Buckingham Canal and to request that you will retransmit the same duly modified with reference to the following remarks.

(1) Explanation of the applicant's suspension on the 9th July 1852 should be furnished against entry 2 on page 5 of the application. (2) The amount of saving accrued to Government in consequence of the applicant's retirement and the circumstances under which it has been found impossible to provide the applicant with other suitable employment should be noted against entry 4 on the 5th page of the application. From the record of this Office, it would appear that no saving has been effected in the Toll Establishment in

consequence of the applicants' discharge.

(3) The circumstances under which the services of the applicant rendered in the P. W. Department from 8th July 1879 to 31st March 1880 have been classed as non-qualifying should be stated.

With reference to para 3 of your letter No. 1057 dated the 22nd September 1880 to the Deputy Collector Saidapett on the subject of the services of P. Sambasiva Mudaliar's services from 6th March 1854 to 29th May 1859 towards pension.

2. The order of Government above quoted, merely admits the members of the Survey Department to the benefits of the Civil Pension Code, and cannot it is thought, be held applicable to the case of P. Sambasiva Mudaliar, who, from the entries in service book would appear to have been employed both in the Survey and Salt Departments in only temporary appointments and as in your letter above quoted it is said that the applicant

had secured a lien on his substantive appointment in the Registration only up to 5th March 1854, I request I may be furnished with any other order with reference to which, his services during the period in question may be considered pensionable. Sir,
With reference to your letter No. 443 C. O. dated 16th February 1881 I have the honor to inform you that P. Sambasiva Moodelly therein referred to held the appointment of Writer in the Registration Department up to 5th March 1854, and on the 6th Idem he was appointed acting Writer in the General Survey of Madras. On the 18th July 1855 he was appointed to the Salt-Hungary× Gumastah's place, but the order conferring the appointment on him clearly states that he should as heretofore continue to do duties in the General Survey Department. On the 21st December 1855 P. Sambasiva Moodelly reverted to his pay in the Survey Department

× temporary

under orders of the Collector and on the 5th January 1856 he was appointed again to the acting Salt Hungamy Gumastah's place which place he held until 30th June 1856. On the 1st July 1856 he was appointed General Survey Registrar on 40 Rupees pay and held that appointment till 29th May 1859 immediately after which date, that is on the 30th Idem, he was appointed Acting Head Sanabnavis and Tahsildar on 70 Rupees pay per mensum-

2 The several Takeeds held by Sambasiva Moodelly and his own Statement go to show that after his appointment to the General Survey Department on the 6th March 1854 to 29th May 1859, he performed duties in the General Survey Department only, and never entered into the Salt Department the appointments in which seem to have been conferred on him simply to enable him to draw a higher rate of pay than his appointment in the Survey Department carried with it -

3. Sambasiva Moodelly having been therefore continuously employed in the Survey Department without a break from 6th March 1854 to 29th May 1859, and subsequently transferred to the Permanent Establishment under the Collector, it is to be inferred that his services in the Survey Department are eligible for pension under Extract from the Minutes of Consultation No 1707 dated 25th December 1858 and I submit that it cannot be expected in a general Order any individual names would be mentioned -

4- In para 4 of this Office letter to the Treasury Deputy Collector of Chingleput District No 1057 dated 22nd September 1880, my predecessor in Office Mr Smith mentioned that P. Sambasiva Moodelly's name is repeated in the pay abstract of the Registration Department up to 5th March 1854, and therefore held him on in his appointment in the Registration Department, but considering that he was appointed to the Survey

Department on acting incumbency in 1854 and subsequently brought back to the Permanent Establishment in 1857, I submit that he had all along been on the Permanent Establishment –

5. P. Sambasiva Moodelly's service did not terminate on the 20th December 1855, but the time of the Salt Hungany's Gomastah's place having expired on that date, he fell back on his pay in the General Survey Department on the 21st December 1855 –

6. Except the above order, there is not any other order on Record under which the applicants services between the dates mentioned in the letter under reply are made eligible for pension –

7. The Service Book received with your letter under reply is herewith returned, and the applicant will forward to you the several Takeeds in his possession, when replying to your direct reference to him –

TESTIMONIALS OBTAINED BY

P. Sambaseva Moodelliar.

Madras, 4th June 1847.

(1.) This is to certify that P. Sambasevam has been a pupil in the 1st Class of the Madras Native Education Society's School from 7th October 1840 to the date in which the School was closed, during which period he has made tolerable progress in his studies, and his conduct has always been very satisfactory to the late Head Master as well as to myself.

(Signed) JOHN SAMUEL BROWNE.

MILITARY FUND OFFICE.

(2.) The bearer hereof P. Sambasevam has been employed in this Office as a temporary writer in preparing sundry statements for the Actuary in England from the 14th January 1847 to 31st January 1849. He has been regular in his attendance to Office and deligent in his business. He writes a good hand, and understands accounts, he has been dispensed with on account of the work upon which he was employed having been completed.

(Signed) W. SHELLEY, CAPTAIN,
Secretary Military Fund.

FORT ST. GEORGE,

(3.) I have much pleasure in certifying that during the 2 months I have been acting for Mr. Cunliffe as Collector of Madras, P. Sambasiva Moodelliar Head Jobabnivis and Translator conducted the duties of his Office to my entire satisfaction; he is an excellent man of business.

(Signed) A. W. SULLIVAN,
Officiating Collector.

MADRAS,

(4.) Sambasiva Moodelliar Acting Tahsildar of Madras, I have known for some 8 years as an intelligent very hardworking man. I hope that he will be confirmed as Tahsildar for which he is so well fitted, and promoted to another Taluq when opportunity offers.

(Signed) B. CUNLIFFE, C. S.

13th May, 1863.

(5.) P. Sambasiva Moodelliar the Tahsildar of Madras whom I have known for many years and with whom I in my capacity of Government Solicitor have had much to do has requested me on my departure from India to give him an expression of my opinion of his worth and usefulness as a public servant. I have therefore great pleasure in stating that considerable actual experience of P. Sambasivah's capacity to deal with matters requiring intelligence, tact, and energy

for their successful management, has impressed me very favorably with his qualifications in all these respects. I have ever found him most energetic in the performance of his public duties and anxious to protect the interests of Government, and to me he has on many occasions been especially useful in the purchasing and taking of land and buildings on behalf of Government; his knowledge of the history of land in Madras being very extensive and his acquaintance with the valuable records of the Registration Department of the Collectors' Office being equally so, I consider him a valuable public servant.

(Signed) J. R. BOYSON,
Govt. Solicitor.

MADRAS,
2nd July, 1866.

MADRAS, *3rd April*, 1869.

(6.) I have known P. Sambasiva Moodelliar the Tahsildar of Madras for upwards of five years. In my capacity of Government Solicitor and Acting Government Solicitor respectively, I have moreover during the last three years been brought into frequent contact with him, and have had a great deal to do with him in various matters of Government business. In particular I may mention the recent acquisitions by the Government of land near the General Hospital for the purposes of the New Madras Railway Station and the new General Post Office. In all matters in which I have had occasion to deal with or refer to him, I have found him most intelligent and energetic. His long experience in his Department has on many occasions in which the interests of Government were concerned rendered him most useful to me.

I have great pleasure in giving him at his request this Testimonial on the occasion of my approaching departure for England on Sick leave.

(Signed) H. BROCKMAN,
Government Solicitor.

Madras, 1*st May*, 1869.

(7.) I have great pleasure before leaving India in adding my testimony to that of others as to the energy tact and zeal of P. Sambasiva Mudaliar Tahsildar of Madras.

I have had to transact a very considerable amount of public business with the Tahsildar during the past three years, and I entertain the highest opinion of him as a public servant.

I consider P. Sambasiva Moodeliar well deserving of advancement in the public service.

(Signed) A. C. SILVER, COLONEL.

April 29th,

SAMBASIVA MUDALIAR,

(8.) Mr. Winscom is still very anxious to have you for his Native Assessor of the License Tax, so I beg you will accept the post, and ask Rungasawmy Iyengar to make arrangements to fill up your place for four months.

Yours faithfully,

(9.) Extract from a letter from B. Cunliffe Esq., Collector of Madras to the Board of Revenue dated 6th November 1856. Para 41.

I cannot conclude without bringing to the notice of the Board the exertions of the Sheristadar A. Tiruvengada Charlu and the parties noted marginally in bringing the enquiry consequent on the Survey to a successful issue. The 1st two I have lately been enabled to promote in reward for their deligence.

(10.) Extract from a letter from B. Cunliffe Esq., Collector of Madras to C. Pelly Esq., 1st Member to the Board of Revenue dated 29th August 1860.

1. I have reconsidered the subject of your letter of the 27th Instant, No. 482, the fitting allowance of the Head Clerk attached to the Deputy Collector in charge of the general duties at Madras and cannot

P. Sambasiva My.

relieve myself from the conviction that his duties are of that nature as should entitle him to 50 Rs. monthly.

* * * *

P. Sambasiva My.

4. To assist the Collector in the discharge of these duties, there was a Moonshee and Translator on 70 Rupees and I have asked for 50 as a remuneration for the same office under the Deputy Collector.

P. Sambasiva My.

5. The man who was my Moonshee I would gladly have brought into this office, but I felt that his withdrawal would have weakened the Deputy Collector too much, and I left him in the Madras Office, to give time for the training of some subordinate to take his place hereafter. He reads the urzees and prepares the replies and abstracts the petitions which are many in such a populous Town. Any information required by the Board and the Government is procured and statements prepared in the Madras Office, to do so here would involve delay and probably error. The Head Clerk will copy fair the English letters despatched, and in the whole the capacity to perform the duties falling to him would obtain him more than 30 Rs. elsewhere so that he would not long remain.

P. Sambasiva My.

Collector.

To

B. Cunliffe Esquire,
Collector of Madras.

SIR,

P. Sambasiva My.

I have the honor to acknowledge the receipt of your letter of the 29th Instant No. 350, and to state in reply that I shall in accordance with your views recommend a remuneration of 50 Rs. to the Head Clerk of the Deputy Collector stationed at Madras.

(Signed) C. PELLY,
Member of the Board of Revenue.

(12.) Extract from a memo left by Mr. Cunliffe to his successor Mr. C. A. Roberts the Acting Collector of Madras dated 21st February 1863.

As Amildar I should appoint the Deputy Collectors' Moonshee Sambasiva Mudali a very hard working intelligent man who deserves promotion from his past labours. He is well acquainted in the Madras, and would make an excellent Amildar. The Deputy Collector tells me that he will be very sorry to lose him tho' he should be sorry to stand in the way of his advancement by objecting to his losing him.

(Signed) B. CUNLIFFE.

(13.) Extract from the Statement of service of P. Sambasiva Moodelliar submitted to the Board of Revenue on the 15th May, 1863.

"The late Collector has recorded his hope that Sambasiva Moodelly should be confirmed as Tahsildar of Madras for which Mr. Cunliffe considered him peculiarly fitted."

(Signed) R. S. ELLIS,
Collector.

(14.) Extract from the Proceedings of the Board of Revenue dated 11th June 1863, No. 3,420.

Here enter Collectors' letter dated 15th May 1863,
No. 167.

1. The appointment of Tahsildar of Madras on a salary of 100 Rs. per mensem having become vacant by the appointment of Venkatapathy Naidu to the office of Superintendent of Cochrane's Canal vice Mr. Rozario, dismissed, I have the honor to request the Boards sanction to the appointment of Sambasiva Mudali to the office of Tahsildar.

2. Sambasiva Mudaly is the 1st Clerk in the Madras Deputy Collectors' Office on a salary of 50 Rs. He bears a very high character for honesty, and is well qualified for the duties of Tahsildar. The late Collector Mr. Cunliffe has recorded his opinion that Sambasiva Mudaly is a very hardworking intelligent man who deserves promotion from his past labours. He is well acquainted with Madras and would make an excellent (Amildar) Tahsildar.

* * * * *

4. I have the honor to enclose a statement of Sambasiva Mudaly's previous services, and the Testimonials in his possession.

(Signed) R. S. ELLIS,
Collector.

(15) Extract from a letter from the Deputy Collector of Madras to the Collector of the Madras District dated 4th January 1865.

1. I have the honor to submit for your favorable consideration an application from the Tahsildar of Madras Taluq requesting to be placed on an equality with Tahsildars of the higher grade, and to state that it shall be no more than fair considering the onerous duties of this officer to grant his prayer.

2. Sambasiva Moodelly the present incumbent has been employed in this Office for the last 15 years, his knowledge of the details of the several Departments and great local experience peculiarly fit him for the

Quit rent Tahsildarship, and he has fulfilled the anticipation of the late Collector Mr. Cunliffe by the satisfactory discharge of his duties.

3. Independent of the Quit Rent Department, Sambasiva Moodelly has been of great aid to me in performing the general duties of my office, and has afforded me considerable assistance. From my own personal observation of his conduct during the period he was under me, I am happy to say that he is a really hardworking and intelligent officer, deserving of encouragement, and bears high character.

4. I may here observe that Mr. Cunliffe the late Collector in recommending the appointment of a single Quit Rent Tahsildar in place of an Amildar and his Deputy on Salaries of Rupees 70 and 50 respectively, intended to improve the position of the head of the Quit rent Department, and proposed a salary of 100 Rupees experimentally reserving the question of the pay to be permanently attached to the office for future consideration.

5. As it is understood that the Government have now before them a scheme for the classification of Tahsildarships in the Madras Presidency, I beg you will be pleased to give Sambaseva Moodelly's case your early consideration, and send it to Honorable C. Pelly for submission to Government.

6. I find it my duty here to mention that tho' Land Revenue of the Town of Madras is not equal to that of the interior Taluqs, still the miscellaneous duties which necessarily occupy the Tahsildar's time and labor in such a populous city like Madras necessitates me to recommend him at least for the last grade of a Tahsildar,

7. The numerous land disputes arising in the settlement of the General Survey which may naturally be expected in this densely populated Town, requires his careful attention, and he is not unfrequently called upon to proceed to the disputed spot to settle the case fairly, and the present Tahsildar has evinced his utmost zeal in disposing of these cases amidst his other works without any delay or inconvenience to the parties. Considering the peculiar nature of the Madras Taluq, you will I believe agree with me that the pay should not be fixed on the Land Revenue alone.

(Signed) V. RUNGASAWMY IYENGER,
Deputy Collector.

Verified from the records of the Deputy Collector's Office Madras and found correct but classed as non-qualifying in consequence of the applicant's dismissal on the 18th October /69. The circumstances under which the applicant's pay was reduced from Rupees 25 to Rs. 20 per mensem on the 1st July 1860 cannot be traced vide para 4 of letter No. 1057 dated 22nd September 1880 from the Deputy Collector Madras to Deputy Collector Chingleput.

The applicant was in the 1st instance suspended from duty with reference to the Proceedings of the Board of Revenue No. 7747 dated 26th October 1869 and was subsequently dismissed under the orders of Government contained in G.O. Revenue Department No. 781 dated the 30th May 1870. Copies of these documents are also forwarded. It will be seen from the G.O. quoted above that P. Sambasiva Mudaliar though dismissed for negligence and unfitness was not declared ineligible for future employment.

Verified from the records of the Deputy Collector's Office but classed as non-qualifying with reference to Section 27 Rule 2 of the Civil [illegible] incumbent

under Government will not prejudice his claims to the privilege he had while in the former department, this period has been classed as qualifying. The Superintendent of Buckingham Canal has classed this period as temporary at the instance of this Office as the transfer of the Toll Establishment to P. W. Department was effected as a tentative measure.

From G.O. Public Department No. 1137 dated 9th September 1870, it will be observed that the applicant was exempted from the operation of [illegible] that the question of allowing the service rendered by him before dismissal to count for pension was postponed for consideration when he succeeded in obtaining an appointment under Government. The applicant after obtaining an appointment, memorialized Government for this question ~~the~~ settled but Government declined to consider the matter until the applicant's retirement. The applicant having now retired, ~~he~~ requests that his previous services may be reckoned for pension. His application together with its enclosures is herewith forwarded for the orders of Government.

* In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 84 Rule 2.
If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Heads of the Offices in which the applicant states he served during the period in doubt, Section 84 Rule 4; and if verification from this source be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates and the evidence of contemporary employés, Section 84 Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84 Rule 6.
The Last Pay Certificate, prescribed in Section 85, should always accompany the Final Pension Application.

Remarks by Head of Office.

1. As to character and past conduct of applicant. — Good on the whole. Latterly very good. The Applicant's letter of the 3rd Inst with its [illegible] enclosures is forwarded.

2. Explanation of any suspension or degradation. — Suspended from 9th to 31st July 1852, and from 19th Oct 1869 to 20th Septr 1870 and then dismissed vide copy of No: 342 of 6th July 1870 from the Collector of Chingleput. The cause of suspension from the 9th July 1852 was for suspicion of having received bribes in the levy of ground rent as stated by the Collector in his Takeed No: 206 of 10th July 1852 a copy of which with its translation is enclosed.

3. Regarding any gratuity or pension already received by applicant, See Chapter XX ... ... }* — Nil.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it ... ... }† — Thrown out of employment in the reduction of Toll Establishment of the Buckingham Canal by which there is a real saving to Government (Vide G.O. No: 814 W of 1st April 1880) The amount of saving is R70 a month as a Clerk of R30 has been appointed in his place, and no Clerk on R100 was provided in the re-arrangement of the Wk Establishment

5. Any other remarks. — The Government in G.O. No: 1137 of 9th Sept: 1870 ruled that the question of allowing the Applicant's former service (i.e. from 1st Oct: 1849 to 20th Septr 1870) would be considered hereafter. As the Applicant has been summarily retired from the service, and has borne a good character especially of late I have calculated the time for Pension as though the break did not exist and strongly recommend that it should be so reckoned.

6 Specific opinion of Head of Office whether the service claimed is established and should be admitted or not. (*See Rule 6 under Section 84*) — I think that the service may be admitted as after dismissal he was reinstated

* If the Applicant has received any gratuity or pension, here state the amount of gratuity or pension granted, the authority under which sanctioned, and whether on re-employment the gratuity has or has not been refunded and the pension ceased to be drawn.
† If the applicant is recommended for a pension or gratuity as compensation for abolition of Office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government, in respect to the cost of the abolished appointment, has been produced. *Vide* Rules 1 and 6, Section 59 of the Civil Pension Code.

The applicants services were transferred from the Revenue to the Public Works Department in com-pliance with the orders of Government contained in G.O. No 1801 A-W. dated 8th July 1879. The question as to whether the status of the applicant is in any way affected by his transfer has been referred for the orders of Government and as no orders have been received up to date it is for Government to decide whether the services of the applicant rendered in the Public Works Department should count towards pension or not. As however it is believed that the mere circumstance of an officers transfer from one department to another department under Government will not prejudice his claim to the privilege he had while in the former department the period has been classed as qualifying. The Superintendent of Buckingham Canal has classed this period as temporary at the instance of this office as the transfer of the Toll Establishment to P. W. Department was effected as a tentative measure.

From G. O. Public Departd No 1137 dated 9th September 1870 it will be observed that the applicant was exempted from the operation of the U.C.S. & Special Tests and that the question of allowing the services rendered by him before dismissal to count for pension was postponed for consideration [illegible] The applicant after obtaining

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and it verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.

The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—

(*a*) whether the applicant was in *permanent* employ of Government.

(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.

The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85, C. P. Code.

Remarks by Head of Office.

1. As to character and past conduct of applicant. Good on the whole. Laterly very good. The applicants letter of the 3rd Inst. with its
Enclosures forwarded.

2. Explanation of any suspension or degradation. Suspended from 9th to 31st July 1852 and from 9th October 869 to 20th Septr/70 and then
dismissed vide copy of No. 342 of 6th July/70 from the Collector of Chingleput. The cause of suspension
from 9th July 1852 was for suspicion of having received bribes in the levy of ground rent as
stated by the Collector in his Takeed No. 206 of 15 July 1852, a copy which with its translation is enclosed.

3. Regarding any gratuity or pension already received by applicant, See Chapter XX .. .. .. } * Nil

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it .. .. .. } † Thrown out of Employment in the reduction of Toll Establishment of the
Buckingham Canal by which there is a real saving to Government (vide G. O. No. 814 W.
71st April 1880. The amount of saving is Rs 70 a month as a clerk of Rs 30 has been appointed
in his place, and no clerk on Rs 100 was provided in the re-arrangement of the Toll Establishment.

5. Any other remarks. The Government in G. O. No. 1137 of 9th Septr/70 ruled that the question of allowing the applicants former service (42
from 1st Octr/49 to 20th Septr 1870) would be considered hereafter. As the applicant has been summarily retired from the
service and has borne a good character especially of late I have calculated the time for Pension as though the break did
not exist and strongly recommended that it should be so reckoned.

6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not. (*See Rule 6 under Section 84.*) } I think that the service may be admitted
as after dismissal he was reinstated

* If the Applicant has received any gratuity or pension, here state the amount of gratuity or pension granted, the authority under which sanctioned, and whether on re-employment the gratuity has or has not been refunded and the pension ceased to be drawn.

† If the applicant is recommended for a pension or gratuity as compensation for abolition of Office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government, in respect to the cost of the abolished appointment, has been produced. *Vide* Rules 1 and 6, Section 59 of the Civil Pension Code.

Endorsement of the Pension Departt. dated 15th October 1880.

From the Examiner of Public Works Accounts dated 23rd April 1881 No. 69 K

Order thereon 7th June 1881 No. 528.

The applicant Perumpaliem Sambasiva Moodelliar, late Toll Supermt. of Buckingham Canal, was originally entertained as Quit Rent Amildar on Rs. 8-12-" per mensem &c. in the Madras Collector's Office on the 1st October 1849 - after rising to the grade of Tahsildar he was first suspended from duty and subsequently dismissed from the service in June 1870 for negligence and unfitness to hold the responsible post of Tahsildar – A break then occured in his service of one year eleven months and sixteen days from 19th October 1869 to 4th October 1871 – But during this break he held the Acting appointment of Toll Superintendent in Cochrane's Canal from 21st September 1870 to 4th October 1871 a period of one year and fourteen days – On the 5th October 1871 he was confirmed in this post and continued in the Government Service till 7th July 1879 – The

Cochrane's

Cochrane's Canal Establishment on which he was employed and which was under the supervision of the Collector in the Rev: Departt. till 7th July 1879 was a permanent Govt. Establishment and as such the service rendered in it quali*fies for Pension. The Establishment was subsequently trans*ferred to the Public Works Departt. After a further service as Toll Superintt. on the Buckingham Canal of 8 months and 23 days he was thrown out of employ by revision of Establishment..

2 Sambasiva Moodelly's Total Service amounts to

upwards of 27 years but owing to his dismissal in 1870 only 8 years 5 months and 26 days qualify – He is thus merely entitled to a gratuity of Rs 800 or 8 months pay but even this sum he is not entitled to receive because he ~~is~~ has been certified by the Medical Committee as not ~~to~~ possessing the normal prospects of life and a pension not exceeding Rs 6-10-10 per mensem in lieu of the gratuity is all that is allowable.–

3 It appears however that except on the single occasion which led to his dismissal in 1870 the applicants

Note. It was decided in the Public Dept G.O. noted above that the question – then raised – of allowing his former service to count for pension w^d be considered thereafter.–

Applicants Service was uniformly satisfactory and it will be observed from the G.O. quoted in the margin that P. Sambasiva Moodelly though dismissed was not declared ineligible for future employment.–

4 Under these circumstances the Govt are disposed to overlook the break in the applicants service, and to permit him to count as qualifying service the period prior to 19th October 1869 and in consideration of his ~~being~~ having been certified not to have the normal prospects of life, the Right Honorable the Governor in Council is pleased to grant to P. Sambasiva Moodelliar

a compensation pension of Rs (50) Fifty per mensem payable at Madras from the 1st April 1880 in considera:tion of his qualifying Superior Service of 27 yrs 8 months and 15 days.—

5 With reference to para 2 of the Examiner's letter dated 8th September 1880 No 97 W. the Govt have already decided ~~after careful investigation~~ in the case of Goday Venkatapathy× Naidoo that Service of Toll Superintt Cochrane's Canal on the Establishment of the Collector of Chingleput is reckoned to be a permanent one.×—
