Deposition of Durasamy Iyengar pensioned chowkidar of Athenkarai taken on oath before the Asstt Commr of Madura

I was employed in the Salt Department continuously from December 1833 to 9th January 1864. Some time after I entered the service Kuppamuthu Pillai now present got into service and continued till I remained in the Deptt. I cannot now remember how long he remained in each post nor the date of the begining of his service. But from the time he entered the service he was in employment without break till I retired. It was in 1834 that he was first appointed under Govt. The signature "Durasamy Iyengar Rayasam (clerk)" in the 3 original orders marked (C. D & E) now shown to me is mine. The 1st order (marked C) is dated 25th January 1858 No 7 and refers to his appointment as ag chowkidar of Manakudy when the permanent incumbent had gone on leave for one month. 2nd order (marked D) dated the 10th March 1858 No 21 refers to his appointment as ag chowkidar of Manakudy the permanent man having gone on leave for one month. The 3rd order (marked E) is dated the 28th March 1859 No 33 and refers to his having been appointed to act as chowkidar of the Eagudy when that chowkidar had been sent out on promotion as Pykish Amin. It is true that these orders were issued. I was then Rayasam (clerk) in the Salt Amildar's Office

Deposition of Tiruvadi Iyengar the present Salt Suptt of Morekolam taken on oath before the Asst Commr of Madura

I have known Kuppamuthoo Pillai who was employed in the Salt Deptt Madura Dist. When I was Chowkidar of Tholiagudy in 1859 I was appointed to act as Pykesh Ameen for 4 months. This Kuppamuthu Pillai was appointed to act for me as Chowkidar of Tholeagudy. I gave over charge of my permanent office to Kuppamuthu Pillai and assumed charge of my new office. As long as I held the acg appointment he was acting for me in my permanent appointment. When he was shroff of Manakudi he acted twice in 186 as Chowkidar of that factory during his absence on leave. I remember he acted during one or two months. As Manakudi and Tholiagudy are within a distance of 3 miles from each other I know about the arrangement. I was Chowkidar of Tholiagudy in 1858

After giving over charge of Tholiagudy salt pan Kuppamuthu Pillai Joined his permanent place of shroff in Manakudy.

When he had been Asst Suptt of Muthuragunathapatnam in 1871 he acted for the Suptt of Attenkarai for a short time. I cannot now remember for what period he was so acting. As Muthuragunathapatnam and Attenkarai are adjacent to Morekolam where I have been Suptt I knew his appointment to Attenkarai from Muthuragunathapatnam.

Accountant General's Office,

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS.

TO THE Commissioner of Salt Revenue
Madras

SIR,

× returned

With reference to the application for Pension on behalf of Kuppumuthu Pillai, forwarded with your letter No. 1511 of the 23rd February 1881, I have the honor to request that you will be good enough to ascertain and explain for the information of Government, the circumstances under which the applicant was granted Privilege leave on full pay from 5th January to 2nd February 1872, when he was apparently not entitled to it, not having served for 11 months from date of his return to duty from absence on sick leave in August 1871. If it is now admitted that the grant of the leave was erroneous, I request to be informed if you have any objection to the recovery of the overpayment of the leave allowance from the amount of arrears of any pension that may be sanctioned to the applicant.

As regards the opinion expressed in para 5 of your letter quoted above, that the applicant should be made to refund the allowance drawn by him for the period of his absence on Privilege leave from 24th February to 6th April 1869, on the ground of his having been allowed leave without allowance for two days viz: 7th and 8th April 1869, I beg to enquire whether the leave without allowances was granted on the application by the applicant for it, or whether his overstayal of the Privilege leave was treated as such by the Head of his Office. If the latter the case would seem to be governed by the 2nd sentence in Section 17 Supplement I to the Civil Leave Code, vide also Section 50 of the Civil Leave Code.

I have the honour to be
Sir,
Your obedient Servant

Offg. Commissioner of Salt Revenue.

To H. F. Clogstoun Esqre,
Offg. Accountant General,

SIR,

Herewith returned with Pension Application.

With reference to your letter No. A.D. k/713 dated March 14, 1881, I have the honour to inform you that the Assistant Commissioner in his reply, to a reference from this Office, reports that Kuppumuttu Pillai was granted Privilege Leave on full pay from 5th January to 2nd February, 1872, though he was not entitled to it, not having served the requisite period from the date of his return to duty from absence on sick leave. The recovery of the overpayment of the leave allowance may therefore be effected as proposed by you.

2. The recovery recommended in para 5 of my letter № 1511 dated 23rd February last, need not be made, as the absence on the 7th and 8th April, 1869, appears to have been due to the applicant's overstayal of the Privilege Leave granted to him and treated by the head of the Office as leave without allowance. The period of leave availed

of by the applicant from 24th February to 6th April, 1869, may therefore be added to the total period of his qualifying service.

3. A copy of the Assistant Commissioner's reply is herewith sent for your information.

Sir,

Adverting to your Proceedings № 2432/16-3-81, on the subject of Kuppamuthu Pillai's pension application I beg to report as follows:—

(1) The privilege leave granted to him from 5th January 1872, to 2nd February, 1872, for 28 days appears to have been given before the expiration of 11 months from the time he had joined duty after he had been on sick leave and therefore when he was not entitled to privilege leave.

(2). The two days' leave on forfeiture of full pay was granted in excess of the privilege leave which he had obtained from the 24th February, 1869, for 1 month and 15 days. He seems to have miscalculated this period and joined duty on the 3rd day after the expiration of his leave time and thus he overstayed his leave by 2 days. This two days' absence was converted into leave on forfeiture

-feiture of full pay under instructions received from the Accountant General vide his letter No $\frac{2610}{20-7-69}$. A translation of an order sent by the Treasury Deputy Collector, Madura, on the subject to the Salt Factory Attenkarai is herewith submitted together with the original for perusal.

Translation of the order dated the 29th July 1869 and issued by the Treasury Deputy Collector to Attankarei Salt Factory.

Your report No 6 of the 10th Instant to hand.

Your explanation about clerk Kuppemuttu Pillai's having returned to duty from privilege leave at the appointed time was submitted to the Accountant General. But, in his letter No $\frac{2610}{20-7-69}$ he has ordered that leave for one month and a half could not have been calculated according to the Number of days but according to the month i.e. one month from the 24th February to 23rd March and 15 days from the 24th idem to the 7th April following and that therefore the two days' pay viz that of the 8th and 9th April which had been stopped must be forfeited and could not be paid.

No order therefore can be given to the payment of 1 rupee stopped.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for 15 years 10 months and 26 days; and that a superannuation {pension / ~~gratuity~~} not exceeding Rs. 6-10-8 per mensem equal to 1/3 average emoluments, is admissible under Sections 65 68 & 70 of the Civil Pension Code. 4th Edition The calculations have been duly verified. It is observed from the remark opposite to No 2 in the 3rd page of the application that the character and past Conduct of the applicant have not been thoroughly satisfactory. It rests therefore with Government to make such reduction in the amount of pension that may be sanctioned to him as it may deem proper with reference to Rule 1, section 22 of the Code.

The delay in the submission of the application is explained by the Salt Commissioner in his letter to this Office No 1511 dated the 23d February 1881 accompanying.

It will be seen from the History of Service that the applicant was granted Privilege Leave from 5th January to 2d February 1872 which he was not entitled to not having served for a period of 11 months continuously from date of return to duty from sick leave enjoyed by him from 9 to 15 August 1871. The absentee allowance drawn by him during the leave in question amounting to Rs 18-12-9 should therefore be ordered to be recovered from the arrears of any pension that may be sanctioned to him by Government.
