Certified that I have carefully examined Shaik Ibrahim son of Shaik Hussain Sahib a Lock Lascar in the Engineering Department. His age is by his own statement 50 years and by appearance, about 55 years. I consider Shaik Ibrahim to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs in consequence of old age and natural infirmity

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

In transmitting a letter from the Examiner of Public Works Accounts No. 895 dated the 29th March 1881 I have the honor to state that I concur with him in thinking that Sheikh Ibrahim Sahib may be granted a Gratuity of Rs. 40 " " the amount to which he was entitled when thrown out of employ in consequence of reduction of Establishment in 1868, in lieu of Rs. 30 " " only the amount admissible for the combined earlier and subsequent services calculated on Rs. 5 the rate of pay reduced in the revision of Establishment referred to above (Vide Section 60 Civil Pension Code)

2. On enquiry, the Examiner of Public Works Accounts states that it is impossible to ascertain whether any saving to Government was effected by the abolition of the applicant's appointment in 1868, and

whether

whether the same, if any, was sufficient to admit of the larger amount of Gratuity proposed by Government. But as the rules F D Nos 900 and 1960 dated 17th February and 19th July 1871 requiring the observance of this principle in granting compensation Gratuities did not come into operation until 1871, there would seem to be no objection to the payment to the applicant of the larger amount of Gratuity viz Rs 40. " ".—
