CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior / superior} grades has been duly proved for 29 years 11 months and 19 days; and that an Invalid {pension / gratuity} not exceeding Rs. 36 per mensem, equal to 6 monthly pay, is admissible under Section 52 & 65(a) of the Civil Pension Code, 3rd Edition (The calculations have been duly verified.) which was in force at the time of the applicant's retirement from Service in 1878.

This Case was first reported on by this Office in No 42 dated 7th March 1878 and Government observing that if he had been retained in service for a period of 5 months and 1 day, he would have been entitled to an Invalid Pension, directed the Collector by their Order No 137 dated 25th April 1878 Pension to reinstate and retain the applicant in Service for such period as would ensure him a Pension. accordingly he was retained in Service for 5 months and 3 days viz from 15th May to 17th October 1878, and on the latter date his Service was again dispensed with.

It will be seen from the application, that notwithstanding the additional period of service of 5 months and 3 days, thus earned, his total period of qualifying service did not amount, on the date of final retirement, to 30 years, and that therefore the object of Government for granting to the applicant a Pension instead of a Gratuity only, has not been secured. The error originated from the Collector, he having calculated the applicants' Service upto 24th October 1877 as 29 Y. 6 M. 29 D. instead of as 29 Y. 6 M. 16 D. only. In consideration of these facts, should Government be pleased to grant a pension condoning the deficiency of 11 days in the applicants service, it is respectfully suggested that such grant be reported to the Government of India in the Financial Department, Since the Local Government were not invested with the powers of condoning deficiency in Services until 16th January 1880, that is 15 months after the applicants' removal from Service.

The Gap intervening between 24th October 77 and 15th May 78, during which the applicant remained unemployed has not been viewed as a break entailing forfeiture of past Service, but it has been regarded as one of a kind that can be brought under the provisions of Note 2 Section 48 of the Civil Pension Code 3rd Edition.

The great delay of nearly 29 months in the submission of this application has not been explained by the Collector in his remarks opposite to No 5 on the 3rd page of the application.
