From E. J. SINKINSON, Esq., Under Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to Government, Pension Department, dated Fort William, 24th March 1881, No. 1336.

With reference to your endorsement, No. 209-A, dated 22nd February 1881, I am directed to inquire how the provisions of the Resolution by the Government of India in the Department of Finance, No. 2079, dated 31st July 1879, were in March 1880 applied to the retirement of Mr. B. C. Dumphy, late Overseer, Public Works Department, Madras, the term of that Resolution having expired on the 31st December 1879.

No. 32.

Referred to the Examiner of Public Works Accounts for report, which he is requested to submit through the Accountant-General in view to that officer recording any remarks he may have to offer.

Fort St. George,
25th April 1881.

(Signed) E. N. OVERBURY,
Acting Under Secy. to Govt.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Pension Department (through the Accountant-General), dated Madras, 6th May 1881, No. 52-P.

With reference to endorsement from Government, No. 32, dated the 25th April 1881, on letter from the Under Secretary to the Government of India, No. 1336, dated the 24th March 1881, herewith returned, inquiring as to how the provisions of the Government of India, Finance and Commerce Resolution, No. 2079, dated the 31st July 1879, were applied to the retirement of Mr. B. C. Dumphy, late an Overseer, 2nd grade, of the Public Works Department, I have the honor to forward herewith copy of a telegram from the Government of India, communicated with Public Works Department G.O., No. 255 W., dated the 2nd February 1880, from which it will be observed that the operation of the Financial Resolution above quoted was specially extended to the retirements of the members of the Public Works Department of this Presidency to 31st March 1880.

2. Copy of an office note addressed to the Secretary to Government, Public Works Department, in connection with this subject and his reply thereto, is also forwarded for information.

ENCLOSURE No. 1.

Proceedings of the Madras Government.

Read the following telegram from Government of India, dated 29th January 1880 :—

Your 150 W. Operation of Resolution extended to 1st March on following conditions :—
First, gratuities not to exceed twelve months' pay; second, all gratuities and capitalized pensions

to be paid during current financial year; third, the saving made in each case to be at least equal to the price paid in gratuity and pensions.

Order thereon, No. 255 W., dated 2nd February 1880.

Communicated to the Examiner, Public Works Accounts, and to the Accountant-General, through the Financial Department.

ENCLOSURE No. 2.

Copy of Office Note from the Examiner of Public Works Accounts, Madras, to the Secretary to Government, Public Works Department, Madras, No. 1292, dated 8th March 1880.

In the telegram to the Government of India, dated 29th January 1880, a copy of which was furnished with G.O., No. 255 W, dated 2nd February 1880, it is stated that the operation of the Finance and Commerce Resolution, No. 2079, dated 31st July 1879, is extended to 1st March, no copy of any post-communication which may have subsequently been received by you on the subject has been sent to this office, but from the fact of Government of India stating in the telegram that all gratuities and capitalized pensions must be paid during the current official year, which closes on 31st instant, it is presumed that the extension has been limited by 31st, not 1st March, and that the latter date is only a clerical error. Please let me know whether this presumption is correct.

I should mention that I have already received several orders of this Government bearing dates subsequent to 1st March accepting resignations of members of Upper Subordinates, which leads me to think that Government are also of the same opinion.

Copy of the Secretary's reply to the Examiner, Public Works Accounts, Madras, No. 1028 of 1879-80.

Yes. 1st March is clearly a clerical error for 31st.

The intention was that the financial transactions rendered necessary by the retirements should be completed during the current financial year.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Secretary to Government, Pension Department, dated Fort St. George, 16th May 1881, No. J.A.E-72.

In transmitting herewith a letter from the Examiner of Public Works Accounts, No. 52-P, dated the 6th May 1881, I have the honor respectfully to invite the attention of Government to the copies of correspondence attached thereto, and to paragraph 2 of the letter from the Government of India embodied in the Proceedings of Government, No. 370 W, dated the 16th February 1880, Public Works Department, from which it will be seen that the Government of India intended that the provisions of the Resolution, No. 2079, dated the 31st July 1879, Financial, should be applied also to all retirements which took place before the 1st April 1880.

ORDER THEREON, 23rd June 1881, No. 571.

Copies of the letters from the Examiner of Public Works Accounts and Accountant-General will be forwarded to the Government of India with reference to the letter thence of the 24th March 1881, No. 1336.
