The pension paper of C. Vidyalugam Pillay came for the first time received in Office on the 4th May 1880. On the 27th Idem a reference was made to the Accountant General Madras on the subject of his services in the Astronomical Department and the information required supplied by that Office on the 9th October 1880. Several references had to be made to the Executive Engineer, West Coast Division and to the applicant

applicant himself relation to his services from November 1854 to June 1863 and the last communication on the subject was only received on the 23rd March 1881. 5 months.

His papers were duly completed and forwarded for the orders of Government on 7th instant. 2. As regards his special bonus of three months, the amount Rs. (244/-) admissible to him was included in a general statement which was forwarded for sanction to the Government in the Pension Department on the 25th July 1880, and the same was duly sanctioned in G.O. No. 920 dated 14th September 1880. But from the accompanying copy of the correspondence noted in the margin, it will be observed that the

General Madras having raised some doubt as to the correctness of the payment probably it has been disbursed since.
