No. 251 Dated 5th May 1881

Sir

I have the honor to forward an application for gratuity with the service book of lascar Syed Madar Saib of the Cuddapah Division.

The services of the applicant are not varified from the records of the Division office, owing to the omission of the names of inferior servants in the pay bill and an affidavit and 2 statement of contemporary servants are sent.

The affidavit and one of the statements state that the applicant served for 10 years; but as per entries in the service book the service amounts to 6 years and 11 months while there is no reason to suppose that the date of appointment as entered in the service book is incorrect. The personal statement is considered to be wrong as it is unsupported.

The applicant was served with notice of discharge on the afternoon of the 20th February 1880 and was finally relieved on the afternoon of the 29th idem.

The Lascar belonged to the permanent office Establishment previous to the reorganization of the Department in September 1878

Not verified from either the Audit Register of this Office or from the records of the Divisional Office, owing to the omission from both of the names of incumbents in inferior grades. An affidavit with statements of two contemporary servants have however been obtained and are herewith forwarded. The date of the applicant's first entertainment as a lascar is noted both in the service book and pension application as the 1st April 1873, but the applicant in his affidavit claims a service of about 10 years, which is borne out by the statement of one of the contemporary servants. The Superintending Engineer 1st Circle in para 2 of his letter No. 251 dated 5th May 1881 (Copy attached) states "while there is no reason to suppose that the date of appointment as entered in the service book is incorrect, the personal statement is considered to be wrong, as it is unsupported." The applicant's services have therefore been taken into account only from the 1st April 1873 and the entire period from the date treated as qualifying on the strength of the remark against entry 6 on page 5 of the pension application that the service claimed "should be admitted."

The applicant's services were dispensed with on the afternoon of the 29th February 1880 in consequence of the general reduction of establishments in the Public Works Department. The applicant was a lascar who belonged to the permanent establishment but who was transferred to the Petty on the reorganization of the Department in September 1878, vide para 4 of the letter above quoted. It has been decided in G.O. No. 2463 P.W. dated 25th October 1880, that pending the approval of the Government of India which has since been received vide G.O. No. 406 W. dated 15th February 1881, such lascars may be considered as members of the permanent establishment and their cases disposed of accordingly.
