Remarks by Examiner, P. W. Accounts.

Verified from the Audit Registers of this Office and found correct. The date of the applicant's first appointment is noted both in the gratuity application and service Register as the 26th November 1873, but from the Audit Registers of this Office he appears to have drawn pay only from the 1st December 1873.

The applicant's services were dispensed with on the afternoon of the 29th Feby. 1880 in consequence of the general reduction of establishment in the Public Works Department.

The sick leave viz from 10th to 29th December 1879 inclusive enjoyed by the applicant has been omitted to be noted both in the gratuity application and the service book and the reason of the termination of appointment on the 29th February 1880 has not been attested by the Head of Office, but as the entire period of the applicant's services has been verified from the Audit Registers of this Office, the return of the documents to the Superintending Engineer for completion was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government.

The service book accompanies the gratuity application.
