PENSION DEPARTMENT.

21st July 1881, No. 643.

Pensions.

Read the following papers:—

From the Inspector-General of Ordnance, dated 17th May 1881, No. G. 65.
„ Controller of Military Accounts, dated 1st June 1881, D.

ORDER THEREON, 21st July 1881, No. 643.

The service of Ponnary C. Soondaram Moodelliar, late ninth-class Clerk, Arsenal Office, Madras, extends over a period of twenty-nine years, ten months, and twenty-one days. But his service for ten years, ten months, and ten days has been rejected by the Controller of Military Accounts on the ground of its being inferior service as book-binder in the Native Artificers' Establishment attached to the Madras Arsenal, for which establishment it is reported that inferior pension is usually allowed by Government in the Military Department, but it is not clearly stated whether the applicant will get any retiring allowance in that department for that period.

2. The Controller of Military Accounts will now report whether the applicant's service as book-binder will give him any retiring allowance in the department, and whether that service was paid from Imperial Revenues or from any contract allowance.

3. For the residue of his service after deducting leave, P. C. Soondaram Moodelly is granted a superannuation pension of Rs. 8-5-0 per mensem, with effect from the 11th May 1881.
