Contemporary event has however been obtained and is herewith forwarded. The period has been closed as qualifying on the strength of the remark against entry No 6 on page 5 of the patency application that the "Service is established and should be admitted." In the absence of precise information as to the month and date of the applicant's first appointment, the period of qualifying service has been reckoned to begin from 1st January 1873, but this in no way affects the amount of patency shown as admissible for if the date of commencement is taken even at the close of that year he still will have completed over 63 years and under 68 years service. The applicant's services were performed with on the afternoon of the 29th February 1873 in consequence of the general reduction of establishments in the Public Works Department. The applicant was a laras who belonged to the permanent establishment, but who was transferred to the petty under orders from Government on the reorganization of the department in September 1871 vide letter No 400 dated 3rd April 1871 from the Superintendent Engineer, Jhelum (copy attached) and it has been decided with reference to the merits of the Government of India communicated with G.O. No 406 dated 15th February 1873 that such laras may be considered as members of the permanent establishment and their cases disposed of accordingly.

The following papers accompany the patency application:-

- 1 Service Book
- 1 Affidavit from the Applicant with the statement of a contemporary event.
- 1 Copy of letter No 400 dated 3rd April 1871 from the Superintendent Engineer, Jhelum.
