Sir,

With reference to your letter
No. *A.D.K.* of the 26th Ultimo I have
^{herewith} ~~returned~~ the honor to state that the country name of the applicant is Faizore, and that of his father is the same. The applicant gave a report to the District Munsiff of Faizore on the 3rd December 1879, in which he applied for leave, stating that the Zillah Surgeon refused to grant him a Medical Certificate, but told him to apply for Pension. The District Munsiff thereupon submitted an *order* to the District Court stating that leave should not be granted to the applicant anymore and requesting sanction for certain arrangements made in consequence of his vacancy and to take effect from the 11th December 1879. Judge D. Burwell on the 15th Dec^r ordered that the applicant must appear before the Zillah Surgeon for a pension certificate, and sanctioned the arrangements made by the District Officer. Thus the applicant's service terminated from the 11th December 1879, though the Medical Certificate is dated 12 days later owing to the applicant's failure to appear before the Zillah Surgeon earlier.

2. The applicant was recommended for a gratuity on the Superior Scale only; but as observed by you, sections 76 and 77 of the Pension Code entitle him to a gratuity on the inferior scale for his combined services in inferior and Superior grades. I recommended him for a gratuity on the inferior scale of Rupees 75 equal to his 5 months' pay at Rupees 15 a month, and the pension application is accordingly amended.

3. The pay which the applicant drew prior to his retirement is Rupees 15 only, and not Rupees 16. There is no appointment in the District Magistrate's Court, the pay whereof is Rupees 16.

4. The several kinds of leave granted to the applicant were not recognized as

Service counting for pension, as he was recommended for a gratuity on the Superior Scale. Section 53 quoted applies to inferior servants, and whether it applies also to Superior servants claiming gratuity on the inferior scale for their combined services in inferior and Superior grades, there is some doubt; but a decisive opinion in this respect is rendered unnecessary by the applicant having had, irrespective of the period of leave, more than 16 years' service to entitle him on the inferior scale to a gratuity equal to 5 months' pay.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

1872

Certified that should Government, with reference to Rule 2, Section 88 of the Civil Pension Code and the explanation furnished by the District Judge in his reply to this Office letter, dated the 26 January 1881, be pleased to accept the Medical Certificate post dated to the extent of 12 days' applicants, qualifying service as superior or inferior grades will be duly proved for 19 years 9 months and 10 days and that an awarded gratuity not exceeding \$175.00 equal to 5 months pay will be admissible under Sections 61, 76 (a) and 77 of the Civil Pension Code, 4th Edition.

The calculations have been duly verified.

The delay in the submission of this application is explained by the District Judge in his letter dated 23 December 1880.

In accordance with Rule 2, under Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.

It will be seen from the history of service that the pay of the applicant of \$3 clerk which the applicant held at the time of retirement was \$17.00 but he did not draw his pay at that rate as he was on leave without pay from the time he assumed the promotion until he retired. This Office has therefore, under Section 79 (a) of the Code, calculated the amount of the gratuity on \$17.00 which he actually drew prior to his retirement from the service as a clerk.
