PENSION DEPARTMENT.

29th July 1881, No. 662.

Pensions.

Read the following papers :—

From the Second Member, Board of Revenue, in charge of the Revenue Settlement Department,
dated 29th November 1880.

Certificate and Report of Accountant-General,

No. A.D.J.-1524.

Certified that, should Government be pleased to consider the applicant's degradation in March and August 1859 from an appointment in superior grade to one in inferior grade as due to causes not amounting to misconduct, his qualifying service in superior grades will be duly proved for nineteen years, seven months, and twenty days; and that a compensation pension not exceeding Rs. 12-9-9 per mensem, equal to one-third average emoluments, will be admissible under Sections 59, 68 (b), and 77 of the Civil Pension Code, 4th Edition. The calculations have been duly verified. The particulars required by Rules 1 and 6 under Section 59 of the Code are given by the Deputy Director of Revenue Settlement in his remarks opposite to No. 4 in the third page of the application.

The delay in the submission of this application is explained by the Officer in charge of the Revenue Settlement in his letter to this Office, No. 2845-540, dated 20th November 1880.

In accordance with Rule 3-A, under Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.

It will be seen from the entry opposite to No. 11 on the first page of the application that the Deputy Director, Revenue Settlement, Ganjam Party, proposes the grant to the applicant of a pension of Rs. 12-13-4 instead of Rs. 12-9-9 only a-month. The difference is due to the calculation of average emoluments on the sanctioned pay of the applicant instead of on the pay which the applicant had actually drawn during the last five years of his service, as required by Section 79 (a) and the definition of the term "pay" in Section 2 (e) of the Civil Pension Code. In explanation of this mode of calculation, the Officer in charge of the Revenue Settlement Department in his reply to this office letter, No. A.D.K.-640, dated the 3rd December 1880, quotes G.O., No. 140, dated the 5th March 1877, Pension, which applies to cases where the pay of an officer permanently fixed, but is diminished temporarily on account of shortness of work done in a month in which the persons retire from the service.

ORDER THEREON, 29th July 1881, No. 662.

The *provisions* { *provisions* } of the Code were given by the *Director of Revenue* Settlement in his remarks opposite to *Sec. 14* *para. 3* *page 4* of the *Applications*.

The delay in the submission of this application as explained by the Officer in charge of the Revenue Settlement in his letter to the Officer at ⁵²⁰ 2848 dated 20th November 1880.

I am in accordance with Rules 3 & under section 87 the attention of Government is respectfully solicited to section 92 of the Code.

It will be seen from the entry opposite to No 11 on the 1st page of the application that the Deputy Director General, Surgeon General & Surgeon General, proposes the amount of a pension of Rs 12-13-4 instead of Rs 12-9-9 only a month. The difference is due to the calculation for average emoluments for the period of the application extended by an order of the

which the applicant had actually drawn during the last 5 years of his service as required by section 79(a) and the definition of the term "Pay" in sections 2(R) of the Civil Pension Code. In explanation of this mode of calculation the Officer in charge of the Revenue Settlement Department in his reply to that office letter of 28.12.1930 dated the 3.1.1931 quotes Government Order No. 140 dated the 3. March 1927 wherein which applies to cases where the pay of an Officer permanently fixed but diminished temporarily on account of shortness of work done in a month in which the persons retire from the service.
