From the Acting Deputy Superintendent, Revenue Survey, No. I Party, dated 4th March 1881,
No. 42-A.

No. A.D.J.—1569.

Certificate and Report of Accountant-General.

Certified that (subject to the remarks below recorded) qualifying service in superior grades has been duly proved for fifteen years, one month, and twenty-five days; and that a compensation pension not exceeding Rs. 6-1-5 per mensem, equal to one-third average emoluments, is admissible under Sections 59 and 68 (b) of the Civil Pension Code (4th Edition). The calculations have been duly verified. The particulars required by Rules 1 and 6 under Section 59 of the Code are given by the Deputy Superintendent, Revenue Survey, in his remarks opposite to No. 4 on the 3rd page of the application.

In accordance with Rule 3-a under Section 87 the attention of Government is respectfully solicited to Section 22 of the Code.

It will be seen from the remarks of the Deputy Superintendent, Revenue Survey, opposite to No. 4 on the 3rd page of the application, that the applicant was allowed to remain in service up to 31st December 1880, although the order of Government, upon which the claim for compensation pension is based, is dated so far back as 3rd November 1879, the object of such retention being to enable the applicant to put in a service sufficient to secure a claim for pension instead of gratuity. The procedure, however, is not covered by any provisions in the Civil Pension Code nor by any orders of Government.

The recent note to Section 59 of the Code directs that an order sanctioning the abolition of an appointment may not be operated upon until the expiry of three months after receipt of the sanction; but it does not seem to authorise the grant of an indulgence such as that allowed by the Survey Department in the present case. Under these circumstances, it rests with the Right Honorable the Governor in Council to admit or reject the period of retention in service.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

1568
CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 15 years 1 month 15 days; and that a {inferior} pension {inferior} not exceeding Rs. 1-8 per mensem may be granted to the applicant under Section 59 and 60 of the Civil Pension Code. The calculations have been duly verified by the {inferior} Revenue Survey in his remarks opposite to No. 14 in the 3rd page of the application.

It will be seen from the remarks of the Day Superintendent, Revenue Survey, of route to & 4 on the 3 page of the application that the application was allowed to remain in service up to 31st December 1880 although the order of Government upon which the Claim for Compensation Pension is based is dated so far back as 3rd November 1879 the object of such retention being to enable the Applicant to put in a service sufficient to secure a Claim for Pension in accordance with the procedure however is not covered by any provisions in the Civil Pensions Code nor by any orders of Government.

The recent note to section 59 of the Code directs that an order sanctioning the abolition of Quasiprobation may not be granted upon notice & I know the latter part of the sanction, but it does not seem to authorize the grant of an indulgence. Such as that allowed by the Survey Department in the previous Case. Under these circumstances, it rests with the Right Honorable the Governor in Council to admit or reject the period of retention in Service.
