Read the following papers :—

From the District Judge, Vizagapatam, dated 31st December 1879, No. 4.

Certificate and Report of Accountant-General,

No. A.D.J.-1564.

Certified that (subject to the remarks below recorded) qualifying service in superior grades has been duly proved for seventeen years, nine months, and ten days, and that a compensation pension not exceeding Rs. 9-5-4 per mensem, is admissible under Sections 59 and 68 (*b*) of the Civil Pension Code. The calculations have been duly verified. It will be seen from the remarks of the District Judge on the third page of the application that the applicant has refused to accept an appointment on pay of Rs. 20 a-month on the ground that the pay offered to him was less than the pay he was drawing immediately before his retirement from the service. The refusal is, however, opposed to the spirit of the foot-note to the word "discharged" in Section 59 of the Civil Pension Code. The District Judge expresses that the applicant would have a poor chance of getting promotion, had he been compelled to accept the appointment offered to him, as he was subject to a chronic disease of the head. He states, further, that a medical certificate will be sent in if deemed necessary. Under these circumstances, it rests with Government to decide whether the applicant should be granted a compensation or an invalid pension; and if the latter, the production of medical certificate in support of his incapacity for further service will be required.

2. The applicant is one of those thrown out of employ in the reduction of establishments in the Judicial Department effected in 1879. The District Judge states, with reference to Rule 6, Section 59, of the Code, that the saving to Government effected by the abolition of the applicant's appointment is only Rs. 8 a-month, which was appropriated towards increasing the salaries of other appointments in the Judicial Department. The case has, however, been submitted to Government, with reference to their Order, No. 58, dated the 22nd January 1880, Pension Department.

3. The delay in the submission of the application is explained by the District Judge in his reply to this Office Memorandum, No. A.D.K.-291, dated the 17th April 1880.

4. In accordance with Rule 3-A, under Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.

2. The particulars required by the rules 1 and 6 under Section 59 of the Civil Pension Code, and the specific opinion of the head of the Office as to whether the service claimed has been established and should be admitted or not, required by the amended rule 6 under Section 84 should be distinctly noted in the 3rd page of the application.

3. The service rendered before the age of 22 years should be shown in the History of Service as non-qualifying (vide Section 20 of the Civil Pension Code)

4. The whole Statement of service should be prepared in strict accordance with Form A of Appendix A to the Civil Pension Code, particular attention being paid to the method of

of filling up the column therein headed "Rema

The delay in the submission of the application was owing to the adjournment of this Court which took place soon after the abolition of his office of Criminal Javabnuvis and to his different services having had to be verified from the records of the offices of the Governor's agent Collectors and the District Registrar. The applicant had also left the station for some months.

2 The applicant could not be provided for with a post of equal salary by any means on account of the reduction in the establishment of the District Court and it has been found after careful enquiry impossible to provide for the officer elsewhere. The office of Criminal Javabnuvis has been abolished and the abolition produced a saving of Rs 8 to Govt but appropriated to increasing the salaries of other posts. The applicant was recommended for pension for 1/3 of Rs 28. The service claimed has been established & should be admitted

3 The Explanation required under rules 1 & 6 Sec 59 & by the amended rule 6 under Sec 84 Civil Pension code have been entered in the 3rd page of the amended application

To

The District Judge of Vizagapatam.

Sir

With reference to the Order of the Government of Madras, dated 19th November 1878 No 2343 sanctioning, with certain modifications the revised scale of judicial establishments proposed by the High Court and directing the introduction of the sanctioned scale on the 1st January 1879 (since extended to the 1st April 1879) I am directed to transmit for your information printed copies of the letters (dated 10th December 1877 and 8th February 1878) containing the proposals of the High Court, the order of Government dated 19th November 1878 and other papers connected with the subject of the revision of judicial establishments, and I am at the same time to transmit for your guidance printed tabular statements showing the scale of establishment sanctioned for your Court, and the Munsifs' Courts of your District, from the 1st April next.

The

2 The tabular statements show also the total number of servants whose services are to be dispensed with in the District Court from the 1st April 1879

3. The cases of those employés whose services are to be dispensed with should, I am to state, be dealt with by you in communication with the Accountant General's department under the appropriate provisions of the Civil Pension Code, and care should be taken to mitigate, as far as possible, the hardship attendant upon the introduction of the extensive changes now made. In this view, the claims to pension or gratuity of those servants who will cease to belong to the Establishments, should be finally settled if possible, before the 1st April 1879

4 The reduction of numbers renders imperative a strict regard to efficiency on the part of the servants whose services are retained, but where any conflict or question may arise as to the claims of individual employés (on the score of service short of the pensionable

period, superior efficiency and such like grounds) to be retained on the revised Establishment, the question should be decided by the District Judge without reference to the High Court

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Tolerably good ✗ The applicant could not be provided with an appointment of equal salary as one on Rs 20 was sanctioned in lieu of his former post of Javabnavis on Rs 28, and it has been found after careful enquiry impossible to provide for the officer elsewhere. A post on Rs 20 was offered to him but as he will be a looser in his pension, after he had served for so long a period as 18 years, he was obliged to refuse the post as he has poor chance of getting promotion hereafter having been subject to a chronic disease of the head. If deemed necessary a medical certificate will be obtained for an invalid pension. On account of the reduction in the number of hands it will be observed by para 4 of letter No 7 dated 8th January 1879

2. Explanation of any suspension or degradation. None.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None.

4. Explanation under Section 50, Rule 1, so far as the Head of the Office can give it. ✗ from the Registrar of the High Court at Madras (Copy attached) a post of equal salary was not available to be offered to him in the reorganization of the Court Establishments, a saving of Rs 8 was effected by the abolition of his office of Criminal Javabnavis and his proposed pension is Rs 9-5-4. This saving however has been appropriated towards increasing the salaries of other appointments in the Treasury

5. Any other remarks. None. The service has been established and should be admitted.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

[illegible]

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior / superior} grades has been duly proved for 17 ~~Eleven~~ years 9 months and 10 days; and that a Compensation {pension / gratuity} not exceeding Rs. 9-5-4 per mensem, is admissible under Sections 59 and 68(b) of the Civil Pension Code. The calculations have been duly verified. It will be seen from the remarks of the District Judge on the 3rd page of the application that the applicant has refused to accept an appointment on pay of Rs 20 a month on the ground that the pay offered to him was less than the pay he was drawing immediately before his retirement from the service. The refusal is however opposed to the spirit of the foot note to the word "discharged" in section 59 of the Civil Pension Code. The District Judge expresses that the applicant would have a poor chance of getting promotion, had he been compelled to accept the appointment offered to him, as he was subject to a chronic disease of the head. He states further that a medical certificate will be sent if deemed necessary. Under these circumstances it rests with Government to decide whether the applicant should be granted a Compensation or an Invalid Pension; and if the latter the production of medical Certificate in support of his incapacity for further service will be required.

The applicant is one of those thrown out of employ in the reduction of Establishments in the Judicial Department effected in 1879. The District Judge states with reference to rule 6 section 59 of the Code that the saving to Government effected by the abolition of the applicant's appointment is only Rs 8 a month which was appropriated towards increasing the salaries of other appointments in the Judicial Department. The case has however been submitted to Government with reference to their Order No 58 dated the 22nd January 1880 Pension Department.

The delay in the submission of the application is explained by the District Judge in his reply to this Office Memo No $\frac{ADK}{291}$ dated the 17th April 1880.

In accordance with Rule 3 A under section 87 the attention of Government is respectfully solicited to section 22 of the Code.
