Read the following paper:—

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Secretary to the Government of Fort St. George, Pension Department, dated Simla, 11th July 1881, No. 1624.

I am directed to acknowledge the receipt of your endorsement,* No. 529, dated 7th June 1881, forwarding Proceedings of the Government of Madras, in which that Government has condoned an interruption of one year, eleven months and sixteen days in the service of Pereapaliem Sambasiva Moodelliar, late Toll Superintendent of Buckingham Canal, which was caused by his dismissal from the service of Government in the year 1870, and granted him a compensation pension of Rs. 50 a-month.

* Original papers received with the endorsement are returned.

2. The concession referred to has apparently been made under the provisions of Section 98 of the Civil Pension Code; but I am to point out that under clause (*b*) of that section, the Government of Madras was not authorized to condone an interruption in service exceeding twelve months in duration. The Government of India alone could under the rules have made the concession, and I am to observe that if the case had been referred for the previous orders of this Government, as it should have been, the Governor-General in Council would not, considering the cause of dismissal, have felt himself justified in sanctioning the condonation.

3. His Excellency in Council will not in the present instance interfere with the orders already passed by the Government of Madras, but he requests that in future all cases which under rule can be disposed of by the Government of India alone may be duly submitted for previous orders, and not disposed of by the Local Government subject to the approval of the Government of India.
