Remarks by Examiner, P. W. Accounts.

Verified from the Audit Registers of this office and found correct. The applicant was reduced from Rs 30/ to Rs 25/ per mensem from 1st January 1880 owing to the reduction of Establishment.

The entries in the service book have not in many cases been attested by the Head of Office but as the entire period of the applicant's services has been verified from the audit registers of this office, the return of the document for completion was considered unnecessary as only delaying the submission of his papers for the orders of Government.

The applicant's services were dispensed with on the afternoon of the 29 February 1880 in consequence of the general reduction of Establishments in the P.W. Department. He is at present employed as a clerk in the Buckingham Canal Toll office on a salary of Rs 30 per mensem. It has not yet been decided by Government whether this establishment is on a temporary or permanent footing.

The service book accompanies the gratuity application. The confidential medical report prescribed in section 105 rule 5 of the Civil Pension Code has been called for and will be submitted immediately on its receipt.

Certificate and Report of Examiner, Public Works Accounts, Madras.

Certified that qualifying service in superior grades has been duly proved for 13 (thirteen) years 4 (four) months and 11 (eleven) days and that a compensation gratuity not exceeding Rs 300 (three hundred) equal to 12 (twelve) months' emoluments at Rs (25) twenty five per mensem is admissible under Section 68 (a) of the Civil Pension Code; but as the applicant had completed a qualifying service of over 12 (twelve) years on the 31 December 1879 and was entitled to a compensation gratuity of Rs 360 (three hundred and sixty) on that date, a compensation gratuity not exceeding Rs 360 (three hundred and sixty) may with reference to Section 60 Civil Pension Code be sanctioned in lieu of Rs 300 (three hundred). The calculations have been duly verified.

As the gratuity recommended, if sanctioned, will, on commutation, yield a pension of more than Rs 2 (two) per mensem, the confidential Medical Report prescribed in Section 105 Rule 5 of the Civil Pension Code has been called for and will be forwarded immediately on receipt.

Should, however, it be decided that service on the Toll Establishment of the Buckingham Canal is permanent, it appears very doubtful whether any compensation retiring allowances can be granted to the applicant at present.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.

If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.

The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—

(*a*) whether the applicant was in *permanent* employ of Government.

(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.

The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85, C. P. Code.

As I understand the case the gratuity cannot be granted if the service upon which the applicant is now employed is of a permanent nat[illegible]e.

This is a matter which can only be determined in the Department of Public Works & the Examiner's enquiry sh^d I imagine be referred to that Dep^t for decision.
