Sir,

In retransmitting the pension
papers of Clerk Ramangulu Raju
returned with your letter No 644 of
the 23^d Ultimo, I have the honor
to offer the following explanation

(1) The Clerk's services from 1st July
have been verified from the record
of the late District Engineer's Office
and those prior to that date can
- not, however, be verified owing
to the omission, in the salary bill
of the names of Office members,
but salaries for them have been
drawn in lump sum under the de-
- signation of "Office Establishment".
The appointments held by the ap-
- plicant were rendered in grades
eligible for pension. All description

of leave which the applicant has had have been noted in the Service Book.

(2) From the leave register then maintained, it is observed that the clerk was absent without leave for 5 days in June 1862, but the precise dates are not given in it. Under section 55 of the Civil Pension Code, the applicant has forfeited his past services and that he should account service only from 1st July 1862. This however makes no difference in the amount of the pension as originally arrived at. Under these circumstances the affidavit & in support of the applicant's services from 1st December 1860 to 31st June 1861 are not now required -

(3) The necessary corrections have been made in the Service Book and Pension application.

(4) The Last Day Certificate is herewith forwarded.

The applicant was served with the notice under rule 2 section

59 of the Civil Pension Code, in the forenoon of the 14th October 1879. and was relieved of his duties on the afternoon of the 3rd November 1879. Consequently he is entitled to 2 months pay on account of the shortness of the notice given. This has now been added by me in the Pension application.

*Proceedings of the Madras Government, Public Works Department,
4th October 1867.*

No. 70. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Gundramanikum, 20th September 1867, No. 905:—

Enclosure 1.

1. I have the honor to enclose an original letter from the Executive Engineer at Trichinopoly, recommending that the Writer attached to Mr. Supervisor Cahill's Office may be allowed Rupees 15 per mensem from the Jail estimate, in addition to his proper salary of Rupees 15, on account of the extra work thrown upon him owing to Mr. Cahill's double charge of the Central Jail works and of the Military buildings.

2. The Writer has been ten years in the service, and there appears to be no prospect of vacancies in the Office Establishments to admit of his promotion, and as there is no doubt a very large amount of work devolves upon him, I would request that, as a special case, his salary may be supplemented by Rupees 15 from the Sundries in the Central Jail Estimate, or from the allotment for Petty Establishments.

From the Executive Engineer, Trichinopoly, to the Superintending Engineer, 6th Division, dated Trichinopoly, 3rd September 1867, No. 665.

1. I have the honor to bring to your notice the case of Ramanjooloo Raju, Establishment Writer under Mr. Cahill, who receives only 15 Rupees per mensem, a very inadequate remuneration for the enormous amount of work he has to do.

2. He has all the accounts of the Central Jail in addition to those of the Cantonment works, roads, &c.

3. Mr. Cahill's cash-book forms indeed monthly a perfect volume, and as this has to be kept in duplicate, the preparation of it alone is a very onerous task.

4. The man has been ten years in the department, and is very highly recommended by Mr. Cahill, while I can myself testify to his merits as a very hard working, deserving man.

5. I shall, therefore, feel extremely obliged if you will grant, or recommend, if it be not in your power to grant, an increase of 15 Rupees per month to his pay.

6. The Central Jail Estimate may be debited with the amount, as the cost of its superintendence cannot be said to be excessive.

No. 71. ORDER THEREON, 4th October 1867, No. 3,081.

ESTABLISHMENT, No. 8.

Under the circumstances brought to notice in these papers, the Governor in Council is pleased, as a special case, to sanction the proposed increase of Rupees 15 per mensem to the salary of the Writer attached to Mr. Supervisor Cahill's Office for such period as he may be engaged in keeping the accounts of expenditure on the new Central Jail at Trichinopoly. The additional charge will be debited to the general allotment for Establishments.

W. & Samayuloo Major

I certify that the bearer of this certificate, *W. & Samayuloo*, has been employed in the Public Works Department for a period of nearly 10 years, 1st in the Range Office as an English Writer and subsequently in the Military Building Office as a Head Worker in which duties he gave every satisfaction. His work in the Military Buildings as a Worker and Accountant has been seen as the Accountant has been seen as the forms are very intricate and the forms numerous.

He is a vigilant & careful painstaking man always anxious to please and he is trustworthy. He is well suited to his position for 30 years & especially as for the last two years. His work has become very heavy consequent in having to keep the accounts of the large Central Jail works in addition to his other duties.

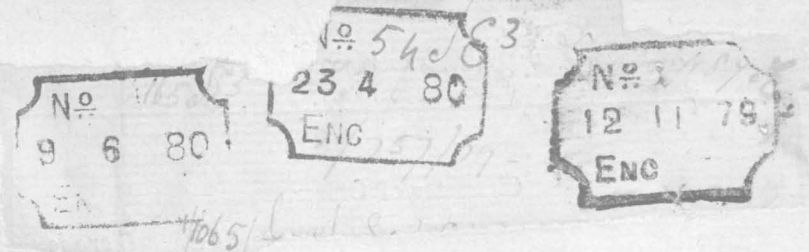

I have much pleasure in giving him this testimonial and hope it may assist his views in getting further promotion in the Department.
