MADRAS RECORD OFFICE.

Government of Madras.

Revenue DEPARTMENT.

G.O. No. 716	Press Mis. ☒
Dated 11	8 1881.

Not to be folded or roughly handled

The Honorable W. Huddleston

C. S. I.

Acting Governor of
Madras.

The humble representation of
Venketarama Chetty an inhabitant
Bellary District—
Most humbly sheweth.

That Public Cattle Purveyor at
Bellary one by name Garudiah has
been deceiving Government for a long
time in the supply of articles so. to the
army. The former Executive Officers at
Bellary had strong suspicions against
this man and he accordingly reported
his conduct to the Commissary General
at Madras. That Officer having been
transferred to another station Garudiah
succeeded in securing the good will of
his new Superior upon whose favorable
report Garudiah was transferred by

the Commissary General to Kemptee.
Unwilling to proceed to Kemptee, Garudiah
submitted his application for Super-
annuation pension which was accepted
by the Commissary General. In December
1880 when Garudiah was asked to retire,
he stated that according to his horoscope
his age was 51 but was erroneously entered
in his Service book as 57. To determine
the exact age, he was passed by a Medical
Board which assembled at Bellary in
December 1880 who certified that his (Garudiah's)
age was 51 and that he was fit for
further Service. Garudiah in his appli-
cation for pension made no mention of
this fact, fearing that, if known, he will
not be allowed to retire. It is not under-
stood how the Commissary General
whose Office contains these records,
accepted his application and submitted
the same to Government. Garudiah
is not entitled to any pension and
should these statements be doubted,
Petitioner requests that the Medical
Certificate of fitness referred to,
may be sent for from Commissary
General and Executive Commissi-
arat

36
Officer at Bellary. This is brought
to notice to show the deceitful intention
of Garudiah.
