Sir

I have the honor to acknowledge the receipt of your letter of the 22nd instant and to return the history of Mr W. F. Hyter's services sent therewith.

The fullest record I find in this Office of Mr Hyter's services is contained in a series of "Pay Books" commencing with September 1839. From these pay books I have compiled the statement which I forward herewith. This however will not I fear be of much assistance to you as only parts of the several salaries were I believe paid out of Government moneys and the balances were paid by the Registrar as a private arrangement. There is nothing in the pay books to show what parts were Government-moneys.

To, The Pay Examiner

Sir,
With reference to your letter No. 2680
dated the 18th October 1880, I have the honor
to forward herewith Copy of a letter from the
Registrar of the Diocese dated the 25th Idem
intimating the result of verification of Mr. W. F.
Styler's Services in the Ecclesiastical Department
and to state that the services as detailed in the
statement which accompanied your letter under
acknowledgment have further been established by
the annual Returns and the Audit Registers on
record in this office for the period only from 1st May
1846 - In the returns prior to that date no details
of the Establishment of the Registrar of the Diocese
are given - In the Audit Register for 1866-67 Mr. Styler
is

forwarded each year on 30 April from
1856 to date - and which are I suppose
in your office - it would appear
that Mr Styler was first entertained
in this office on 9 January 1837, and
that the highest salary (from Govt money)
which he drew in this office was
Rs 50 per mensem.

I have &c
(Signed) F. Rowlandson
Registrar.

True copy.

W. F. Styler

Off^r Asst Accountant Gen^l
for Acct^l General.

is shown to have held two appointments one as Cathedral Clerk on Rs 25 and another as Clerk to Trustees on Rs 35 per mensem -

I take this opportunity to inform you that the question whether or not Church servants and clerks are eligible for Pension has not been definitely settled by Government. If however it could be satisfactorily shown that Mr. Hyatt devoted the whole of his time to the service of Government and that he was not paid merely because he did some work for the State, there would seem to be no objection to the service under verification being reckoned as qualifying for Pension - Vide Section 14 of the Civil Pension Code -
