5th Division, No. 1026 dated 6th April 1866.

Having heard that you are in want of an
overseer in the Salem District, I have the honor to bring to your
notice the service of A. Arugesawmy Pillay the present drafts-
man in the office. He has been employed under me during
the last 3 years both on the Project for the Drainage of Madras
and on the work in Bangalore. In the Drainage Project he was
of the greatest use to me and indeed showed an amount of
knowledge for which I was hardly prepared. He was employed
in surveying, plotting, levelling and estimating and with
all these branches of his profession he has a thorough ac-
quaintance. In Bangalore he has been for more than 12
months in charge of the important works at the Uleer Rock
and of all the repairs alterations and new works at the Horse
Artillery Barrack. He has discharged all his duties to my en-
tire satisfaction. He has passed in the Civil Engineering
College for the grade of 1st Class Surveyor and stood at head of
batch of students who worked with him. From my experience
of "passed" students I have no hesitation in saying that the

With reference to your letter No 412 S.
dated 13th instant, I have the honor to inform you
that the name of A. Arogeasawmy Pillay cannot
be traced out from the Salary Abstract Book of this
Office in 1863, nor^{is} his name borne in the permanent
Establishment of the late Executive Engineer's Office,
Presidency.

The records of the special Executive
Engineer, Drainage Scheme, Madras, are not
forthcoming in this Office.

the knowledge and information he has acquired from being
employed on the Drainage Project and on the works in Bangalore
are far greater than those possessed by the former.

I think he might well be recommended
to Government for the post of Overseer and be exempted
from passing the usual examination as his attainments
are decidedly above those of ordinary passed students.

He has borne a uniformly Good Character
throughout the entire period of time during which he
has been employed under me. It is because Arogea-
-sawmy Pillay has worked so well and faithfully
during the past 3 years that I have ventured to bring
him to your notice.
