Madras.

Sir,

I have the honor to report on the Petition of Mr. J. A. C. Lobo referred to me for report with the Acting Under Secretary's endorsement of the 18<sup>th</sup> ultimo, N<sup>o</sup> 42, Pension Department.

2. The Petitioner who was an Overseer in the Public Works Department, retired on a pension of Rupees 39-7-4 with effect from 11<sup>th</sup> February 1880; and received a bonus of Rupees 1200 under G. O. dated 31<sup>st</sup> March 1880, N<sup>o</sup> 279, Pension Dept.

3. On the 26<sup>th</sup> April 1880, the Petitioner was reemployed as an Overseer on the Local Fund Engineering Establishment on a pay of Rupees 50 and fixed travelling allowance Rupees 15, and draw his salary and pension up to 31<sup>st</sup> May 1880, from which date the payment of his pension was stopped in compliance with instructions telegraphed by the Accountant General on the 10<sup>th</sup> June 1880.

4. In the mean time the Petitioner having fallen sick obtained leave without allowances from 1<sup>st</sup> June 1880, and continued on such leave

leave till 29<sup>th</sup> November 1880, when he resigned his appointment under the Local Fund Board.

5. In his resignation the Petitioner also begged that his pension may be ordered to be disbursed to him from 1<sup>st</sup> June 1880 on which date he ceased to draw pay as Local Fund Overseer; but the President of the Local Fund Board having nothing to do with his pension, accepted his resignation and referred the Petitioner to the Accountant General regarding his pension.

6. The Petitioner then applied to the Accountant General who thereupon informed me that as Petitioner

had retired under the <sup>Letter from Accountant General dated 12<sup>th</sup> April 1881, No. L.F.D. 132</sup> terms of the Government of India Resolution of July 1879, and appeared to have resigned his appointment of Local Fund Overseer on the 29<sup>th</sup> November 1880, he was entitled to draw his pension from that date and that the question regarding the recovery of the deduction of 6 per cent on account of bonus for the time he was employed under the Local Fund Board should be considered at the time of payment of his pension.

7. A reference being made to the Accountant General as to the amount to be deducted he intimated to me

that the deduction <sup>Letter from Accountant General dated 9<sup>th</sup> May 1881 No. L.F.D. 151</sup> of 6 per cent should be made for the period for which the Petitioner drew

3  
draw his salary under the Local Fund Board, viz: from 26<sup>th</sup> April to 31<sup>st</sup> May 1880, and that the pension already paid to him for that period should also be recovered at the same time. The pension due to the Petitioner in arrears from 29<sup>th</sup> November 1880 was accordingly disbursed to him after deducting Rupees 46--7, being the amount of pension previously drawn by him from 26<sup>th</sup> April to 31<sup>st</sup> May, and Rs 7 on account of bonus.

8. The Petitioner now prays that as he ceased to receive any salary under the Local Fund Board from 1<sup>st</sup> June 1880 he may be allowed to draw his pension from that date to 29<sup>th</sup> November on which date he finally resigned his appointment of Local Fund Overseer.

9. The Accountant General appears to have considered that the Petitioner was not entitled to draw his pension before the date on which he actually resigned his appointment of Local Fund Overseer. But as the Petitioner drew no pay or allowances under the Local Fund Board from 1<sup>st</sup> June to 29<sup>th</sup> November 1880 and did not resume his duties before resigning his appointment, it seems very hard to deprive him also of his pension for that period.

10. In his Petition dated 29<sup>th</sup> November 1880 (herewith forwarded as desired) the Petitioner begged

begged that his resignation might be accepted  
with effect from 1st June 1880, and though the  
late Presidents' order accepting  
the resignation is silent on <sup>\*Copy enclosed.</sup>  
this point, I understand that he had no  
objection to give retrospective effect to the  
resignation if that was considered necessary  
to enable the Petitioner to draw his pension  
for the period in question.

I have the honor to be,

Sir,-

1. I respectfully beg you will be so kind as to submit for the consideration & decision of His Excellency the Governor in Council the accompanying copy of a letter from the Accountant General to the Collector of South Canara, N<sup>o</sup> 132, dated 12<sup>th</sup> April 1881, for disbursement of my pension in arrears from 29<sup>th</sup> November 1880, the date on which I formally resigned my appointment of Local Fund Overseer, instead of from 1<sup>st</sup> June 1880, the date on which I actually & finally ceased from the duties of that post.

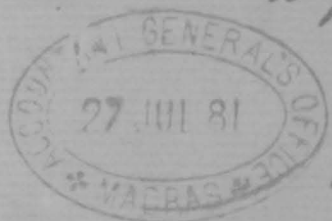

2. While I was holding a service of nearly twenty three years as 1<sup>st</sup> grade Overseer in the P.W.D. on a salary of R. 100 & allowance R. 30, I was compelled to retire on the 11<sup>th</sup> February 1880, under the terms of the Government of India Resolution, N<sup>o</sup> 2079, dated 31<sup>st</sup> July 1879, & as I found that the compensation pension awarded to me was insufficient for the support of myself and family, I availed myself of the opportunity offered by the Chief Engineer in his Circular N<sup>o</sup> 3130, dated 11<sup>th</sup> October 1879, and took

up service as Local Fund Censor on the 26<sup>th</sup> April, 1880, and drew my pension from 11<sup>th</sup> February, and both pension & pay from 26<sup>th</sup> April regularly.

3. Having then fallen ill, I obtained three months leave on Medical Certificate without any allowances, and whilst this income was stopped, I was informed that my pension also had been withheld by a telegram from the Accountant General to the Collector.

4. Being thus deprived of all pecuniary resources at the very juncture at which they were most needed, I represented my grievance to Government by letter dated 6<sup>th</sup> August 1880, and Government thereupon were pleased to inform me by their Proceedings dated 23<sup>rd</sup> Aug 1880, that a recommendation had been made to the Gov<sup>t</sup> of India that specially retired Gov<sup>t</sup> Pensioners, who had taken up employment under Local Fund Boards should continue to draw their pensions during such employment, and that if I chose to resign my appointment, I should be entitled to draw my pension.

5. As however I continued on sick leave for nearly six months from 1<sup>st</sup> June 1880, without pay or pension, I was thus subjected to great distress, I felt myself compelled to formally resign my post on the 29<sup>th</sup> November 1880, and begged the President

President of the Local Fund Board to accept my resignation with effect from 1<sup>st</sup> June, 1880, the date on which I actually & finally ceased from the duties of that post, and I was informed in reply that my resignation was accepted, & that with regard to my pension I should apply to the Accountant General.

6. I accordingly applied to the Accountant General, forwarding copies of my application to the President of the Local Fund Board, & his reply thereto accepting my resignation and certifying that I had drawn no allowances from 1<sup>st</sup> June 1880, whereupon the Accountant General wrote to the Collector the letter which is the subject of my present representation.

7. Under the foregoing circumstances I most earnestly beg confidently trust that His Excellency the Governor in Council will be graciously pleased to order, in modification of the decision arrived at by the Accountant General, that the arrears of my pension be reckoned as due to me from 1<sup>st</sup> June 1880, the date on which I actually & finally ceased from the duties of my appointment of Local Fund Censor. For which act of grace, I shall ever live grateful.

To The Collector of South Canara.

Sir,

I have the honor to state that from the certificate signed by the President of the Local Fund Board, South Canara, dated the 22<sup>nd</sup> January, 1881, Mr. J. A. C. Lobo, one of the pensioners who retired under the terms of Government of India Resolution of July, 1879, appears to have resigned his appointment as Local Fund Overseer, attached to the officiating gadi Taluk on the 29<sup>th</sup> November 1880, from which date therefore he is entitled to resume his pension. I request therefore that arrangements may be made for the disbursement of his pension in arrears from that date.

The question regarding recovery of the 6 per cent deduction for the time during which he was employed under the Local Fund Board due from Mr. Lobo, if any, should be considered at the time of payment of the arrears of pension referred to above.

District Engineer

Most Respectfully Sheweth.

I most respectfully and humbly beg that your honor will be graciously pleased to take my poor case into your honor's benign and merciful consideration and trust that the same may meet with your honor's pardon.

2 That I have unfortunately undergone your honor's displeasure by signing the petition that was presented to your honor, bringing to notice that the Office Clerks would be put to inconvenience for meals; I signed this petition when it was brought for my signature not anticipating that the presentation of it would meet with your honor's displeasure.

3 After being thus offended, your honor was pleased to fine me as well as others with 8 of my pay. Finding my precarious position being at a loss to understand how to gain your honor's favour, I have imprudently resigned my appointment, which to my bad luck resulted in my dismissal from service.

4 With reference to the remarks passed by your honor in my dismissal order, I humbly & graciously beg to represent that I have little

or no concern either proprietary or pecuniary with  
Chetty Appalaswamy except mere mutual acquaint-  
ance, being employees of one Office, nor had I any  
knowledge of the circumstances under which your  
honor was offended with him.

5. As for the other suspicion which your honor  
had been pleased to entertain of me since a long  
time, as having had tried to prevent applicants  
from taking up the Draughtsmans post which was  
vacant in the District Office, it is out of my  
power to convince your honor to believe that I am  
totally innocent, because, that there is not a  
single instance forthcoming and further your  
honor may be pleased to consider how it would  
be possible for me to prevent such applicants if  
they are really willing to get it, and I sincerely  
swear and depose before your honor, that I am  
innocent in the matter.

6. I am exceedingly sorry that my hasty  
resignation occasioned by simple timidity  
and imprudence has brought on me and large  
family regular starvation in these famine days.

7. I have thus unfortunately incurred the  
displeasure of your honor, but have evidently  
done nothing wilfully so as to give rise to your  
anger. Under the above circumstances I feel  
confident that your honor will be pleased  
to consider that dismissal is too heavy a

172  
punishment for an innocent & poor subordinate  
of my description.

8. I regret to bring to your honor's notice,  
being timid and deprived of presence of mind  
I could not venture to pay my humble respects  
to your honor in person and solicit that I  
and family may be relieved from the miserable  
condition, we are subjected to since my <sup>dis-union</sup>  
from service; Colonel W. F. Farewell having  
happened to call here, I presented him a  
petition relating my poor circumstances and  
humbly requested him to recommend me to  
your honor for my reinstatement; there upon  
he has been pleased to advise me to relate my  
circumstances to your honor with much implicit  
obedience thro a petition and that you will be  
pleased to give me justice. This I have

9. Under the said circumstances I earnestly  
and humbly crave that your honor may be  
pleased to entertain my prayer with pity and  
reinstate me in my former post and thus relieve  
me and family from our bitter poverty.

For which act of justice and mercy I shall  
be as in duty bound ever pray.

SIR,

I have the honor to transmit herewith  
a letter received from the Acting Collector of  
South Canara No 1557 dated the 21<sup>st</sup> July 1881,  
and to state that the pension due to Mr. Lobo  
the officer referred to therein, from 1<sup>st</sup> June to  
28<sup>th</sup> November 1880, was not allowed to him,  
because during that time although on leave  
without allowance, he was yet considered  
a member of the Establishment of the Local Fund  
Board, South Canara, under the provisions con-  
tained in para 4 of the Resolution of the Govern-  
ment of India No 1707 dated the 15<sup>th</sup> July 1880.  
He was allowed to resume his pension from  
29<sup>th</sup> November 1880, the date from which the  
resignation of his appointment was accepted  
by the President of the above Board. As  
however Mr. Sturrock states in the concluding para  
of his letter quoted above, that he has no objection  
to accept Mr. Lobo's resignation with retrospective  
effect from the 1<sup>st</sup> June 1880, the pension for the  
period

period for which it was formerly refused, may now  
be passed to Mr. Lobo. -

2. The Collector has been requested to  
refund to Mr. Lobo the interest on Bonus
