ORDER THEREON, 9th September 1881, No. 846.

Under Sections 100 and 109 (a) of the Civil Pension Code (5th Edition), the Honorable the Governor in Council is pleased to grant to Vedeyala Soobbiah, late Acting Copyist, Executive Engineer's Office, Vizagapatam, a compensation gratuity of Rs. (105) one hundred and five, equal to seven months' pay of his substantive appointment, payable at Vizagapatam, in consideration of his qualifying superior service of seven years, one month, and three days.

2. It appears that the applicant resigned his post of Acting Copyist in 1878 on account of his having incurred the displeasure of his superior, but the District Engineer declined to accept the resignation and dismissed him from the service. About two months afterwards the applicant presented a petition praying to be restored to his appointment, which the District Engineer complied with, but made no declaration to the effect that V. Soobbiah's past service would qualify for pension.

3. In the circumstances of the case, the Governor in Council is pleased to overlook the omission of a declaration by the Head of the Office, and, under the terms of Section 98 (b) of the above Code, to treat the brief period during which Soobbiah was out of employ as equivalent to suspension followed by reinstatement.

4. The gratuity, however, is calculated on the pay of his substantive appointment, as his case does not appear deserving of any further indulgence.

Memo

In answer to V. Soobbiah's letter dated 5th June 1878 resigning his post of Ag. Copyist, the District Engineer declines to receive the resignation, because it is evident that it has been submitted in reference to the dismissal of Chetty Appalaswamy and to the order of the District Engineer that office arrears should be made up by working extra hours. On the other hand to mark his appreciation of the cabal into which V. Soobbiah has thought fit to enter, the District Engineer dismisses him his employ from this day.

Certified that as the applicant has no qualifying service at his credit
no compensation retiring allowance of any kind appears admissible
under Section 68(a) of the Civil Pension Code.

Should Government however be pleased to condone the interruption in the applicant's service
of 2 months and 3 days under the ruling contained in Section 52(a) of the Civil Pension Code, qualifying
service in superior grade would amount to 4 (seven) years, 1 (one) month, and 3 (three) days, and a

It is left entirely to Government to decide whether the applicant's gratuity cannot be calculated on the

was permanently vacant, which the Applicant held for upwards of 6 years, and that he was allowed
