CERTIFIED that I have carefully examined Mr George Packzensky son of Mr John Packzensky His age is by his own statement 43 years, and by appearance about 48 I consider Mr G. Packzensky to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of premature old age general debility - Loss of Memory - Chronic dyspepsia

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
