Sir,

In continuation of my letter No 2005 dated 26 July 1881, I have the honor to report that the reason for the transfer of Peon Iyulu to the Conjeeveram Taluk on reduced pay has not been recorded in the Baravards of the Covelong Factory transferred by the Collector, and I am unable to ascertain the cause from other sources.

2. As Taluk work is often preferred by peons to the Salt Department it is probable the man was, as now stated by him, transferred at his own request.

Sir,

In returning the Accountant General's letter received with your endorsement No 5622 dated July 8, 1881, I have the honor to state that the cause of the degradation of the applicant is not known. I have asked the Treasury Deputy Collector, Chingleput who verified the services to favor me with the information if available in his Office.

2. I enclose a copy of Takeed with its translation regarding the suspension of the applicant in 1863 for absence without leave and impertinence.

3. The delay in submitting the application was due to the service Books of this and all other menials in the District not

not having been written up when
I took charge of the District and
to the difficulty in doing so after
the lapse of so many years.

4. With regard to the last query
of the Accountant General I
beg to state that the applicant
was suspended for one month
because he absented himself
without leave for one day and
for answering impertinently
when called on to account for
his absence. His one month's
suspension was already deducted

observed from the application.
