Certified that I, Surgeon Samuel Matthias Tyrrell, F.R.C.S.E. Zillah Surgeon, Rajahmundry, have carefully examined Moganti Madhavarayudu, Son of Moganti Konia, Revenue Peon of the Yernagoodem Taluk. His age is by his own statement 59 years, and by appearance about 59 years. I consider Moganti Madhavarayudu to be completely and permanently incapacitated for further Service of any kind in the Department to which he belongs in consequence of old age, General debility & Scrotal hernia.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

3 Moganti Madhavarayudu was a Tappal runner up to 1st April 1867. The Assistant Collector then in charge of the District Post Offices issued an order dated 25th March 1867 No 10 (Copy of which is Enclosed) directing the Tahsildar of Yernagudem Taluq to dispense with the services of the above runner and another man owing to the abolition of Pentapadu and Yernagudem line. Madhavarayudu was then appointed to act for a postal delivery peon for 11 days from 1st April to 11th April 1867 and he was out of employ from 12th April 1867. He drew full salary for the 11 days he acted but the service does not Count as the permanent incumbent was only on leave for those days.

15 (a) The affidavit and Evidence show that the applicant was appointed Taluq peon in 1847 and reduced in 1862 in the amalgamation of Taluqs and that he was once suspended for a month. With this exception of a month he was in permanent employ Continuously for 15 years

(b)

(b) Under Section 53 of the Civil Pension Code any leave taken by inferior servants if authorized counts for service. No Evidence was taken on this point and no alteration considered neceſsary in the affidavit and Evidence.

16 One Penteti Surayudu was dismiſsed under the orders of the Assistant Collector and the applicant was put to act in his post from 8th to 31st October 1863. Eventually in the next month applicant was confirmed and no one counted service during that period except the applicant.

19 A few more marks for personal identification will be communicated on the receipt of a report from the Tahsildar of Yernagudem.

21 The applicants' services were verified with reference to pay abstracts found among the records of the Huzur. In respect of service not verifiable from records Evidence from two contemporaries was taken by the Sub Magistrate of Yernagudem Taluq and the Head of

the

the office was fully satisfied that the applicant was in service during that period.

24 The applicant states that when he was reduced at the amalgamation of Taluqs gratuity of Rs 20 was paid to him. The amount was not refunded when he was reemployed.

25 Two months and fifteen days entered in the remarks opposite to No 2 in the 3rd page must be two months and five days as stated in the history of service

26 There are no special circumstances for counting his acting service. As he drew full salary for 18 days he acted as Police peon the service was by mistake counted as qualifying. Leaves without pay were entered as non qualifying: they ought to be qualifying. The applicants' qualifying service now comes to years 30 1 month and 5 days. Of this under Section 106 of the Civil Pension Code years 15-$\overset{m}{7}$-$\overset{d}{14}$ of applicants' service prior to 20th November 1862

does not Count for the gratuity now proposed. The service qualifying him for the present gratuity is 9/14-5-21. Under Section 76 of the Civil Pension Code he is entitled to a gratuity of his 4 months pay i.e. Rs. 24 (twenty four)

Statement made by Moganti Madhavarayudu, late a peon in the Yerragudem Taluq.

I have heard the Service Register and the Memorandum of my service prepared by the Huzur Record Keeper.

The Service Register prepared in the Huzur is correct. The Register that I got written out was made up from memory but was not based upon any authority in writing. I have no such authority. Hence are the discrepancies. It is true that I was under suspension from the 27th January 1853 to the end of February. On enquiry I was found innocent and restored in the beginning of March. As stated in the Memorandum prepared in the Huzur, I continued in the post of a peon from that time till 15th March of this year. when I applied for pension. I shall prove by the Taluq peon Narasingabhan that I was in service during the months for which pay-abstracts are not forthcoming. I have heard this statement. it is correct.

I know Moganti Madhavarayudu a peon in this Taluq who has applied for pension

He was appointed a peon in this Taluq in February 1847 but was reduced in November 1362 when the Taluq establishment was revised. I remember that he was under suspension for a month during this period. With this exception, he had been a Government peon till the Revision without break. Within 10 months of it he got employed as a Tahsil tappal peon in the Yernagudem Taluq. He held that appointment for 3 years and a half and was then reduced. After that, he remained without employment for two years and then he secured a peon's place in the Peddapur and got transferred to this Taluq. I knew well that since then he continued in service without break till 15" March when he applied for pension. I have stated from memory the different periods of his service at the several places. I cannot however state them with dates.

I have heard this statement. it is correct.

Statement made by Narasinga-khan a peon in the Yernagudem Taluq.

I know Maganti Mattha-narayudu a peon in this Taluq who has applied for pension.

I do not remember dates and months: About 25 years ago, he was appointed a peon in this Taluq and continued in service till the Revision of the Establishment when he was reduced. I remember that during this time he was once suspended for a month. Till then there had not been any other breach.

Subsequently

Subsequent to the Revision he got a peon's post in the Tahsiltappal of Yernagudem Taluq which he held for 3 years. He was then reduced. Within 2 years of that he was reemployed as a peon in the Peddapur Taluq whence he soon got transferred to this Taluq. Ever since he had been a peon in this Taluq till some time in March of this year when he applied for pension. I have stated the facts which I know to be true. I have heard the statement: it is correct.

Sir,

I have the honor to forward an application for invalid gratuity on behalf of Mogunty Madhavarayudu peon of Yernagudem Taluk, together with his service Register and last pay Certificate, translations of affidavits taken on solemn affirmation by the Sub-Magistrate of Yernagudem Taluk from the applicant and the evidence of two of his contemporaries.

2 The applicants total service including breaks is Yrs 33-1-6 of which a period of Yrs 29-7-8 days is

inferior. Of this a period of Yrs 27-7-9 is borne out by records and the remainder by evidence. His age is 59 years and the Zillah Surgeon certifies that the applicant is unfit for further service on account of old age and infirmity. The certificate given by the Zillah Surgeon is enclosed. The applicants' service is more than 20 years and I recommend under Sec 76 clause (A) a gratuity of Rs 36 being the salary of 6 months at Rs 6 per mensem.

3 Copy of explanation for delay caused in submitting the application, furnished by the Head Assistant Collector is also enclosed.

4 I regret the delay in submitting the application and two others of this date as also in the applicants' obtaining a medical certificate.

He was ordered on 28th January 1880 by a late Head Assistant Collector to retire but the medical certificate was produced on 9th November 1880 apparently through ignorance, I have pointed out to the Head Assistant the want of care in compelling people to retire and in submitting their applications for gratuity or pension.
